Romeo and Juliet vs. Mrs. Jackson's Seventh Grade English Class

By Ethan Anderson

INTRODUCTION

Why do they teach Romeo and Juliet in seventh grade? When boys turn 13? When Romeo and Juliet are medieval seventh-graders? When they make love once and kill themselves? What are they thinking? The thoughts of a 7th-grade boy girl studying . . . Romeo and Juliet vs. Mrs. Jackson's Seventh Grade English Class By Ethan Anderson

The Average Boy Sitting Behing Suzy Warner in Mrs. Jackson's Class:

One, Suzy Warner is incredibly hot.

Two, no one is hotter than Suzy Warner.

Three, I'm hungry.

Four, last year I was a kickball superstar.

Five, this year I am a virgin.

Sis, Suzy Warner is incredibly hot.

4NG fanatics

Seven, there's a muffled noise coming from the front of the room.

Eight, the muffled noise is Mrs. Jackson, trying to teach.

Nine, Mrs. Jackson is incredibly hot..

Ten, Suzy Warner beats Juliet

any century, any day of the week.

Eleven, how hot would Suzy Warner look in the 14th century?

Twelve, the correct answer is crazy 14th-century hot.

Thirteen, let's say I'm Romeo

And Suzy Warner not only does it with me,

But then she tells me she wants to do it AGAIN the next day.

Fourteen, gaphphnuggungh, my brain has imploded.

Fifteen, I didn't think it was possible to be this hungry.

Sixteen, according to Shakespeare,

The day after I do it with Suzy Warner,

I'm across town lying dead in a crept.

Seventeen, NO WAY that happens in real life, okay?

Because One, if I'm Romeo,
That means I'm not a virgin anymore,
WHICH IS AWESOME.
And because Two, if Suzy Warner's in bed with me,
No way I'm leaving bed, EVER.
I would never get out of bed.
There is no upside to leaving bed.
Skittles, skateboarding, food and water --
things of the past, my friend.
Let's assume for some totally unbelievable hypothetical
reason
that I leave Suzy Warner in bed.
Let's suppose later that day
one of Suzy Warner's relatives
kills my best friend Mercutio.
On one hand, I hate that dude.
On the other hand,
I know Suzy Warner
WANTS IT AGAIN, FROM ME, TONIGHT.

So let's review.

4NG Fanatics

Either I avenge my best friend, who is tragically dead.
Or I sleep with Suzy Warner, who is totally hot.
Door number one,
Avenge friend's death, return to kickball.
Door number two,
SUZY WARNER.
In conclusion, Shakespeare, total idiot.
Class dismissed.
And if I don't get Cheetos in the next five minutes,
I will pass out and die.

Suzy Warner

One, Mrs. Jackson is my favorite teacher and
Romeo and Juliet is not just a great play
It is also an incredible movie.
Two, in the movie Leonardo DiCaprio played Romeo
And he is an amazing actor.
Three, the only movie I have seen more times than
Romeo and Juliet is Titanic,

Starring Leonardo DiCaprio.
Four, you should be allowed to drink Diet Coke in English class.
Five, Leonardo DiCaprio is o amazing in Titanic
that I almost forgot the ending every time. I swear.
Six, my other favorite movie
Behind Titanic and Romeo and Juliet
Is The Beach, starring Leonardo DiCaprio.
Seven, I haven't seen What's Eating Gilbert Grape yet,
But I want to.
It stars Leonardo DiCaprio and Johnny Depp,
Who is also an amazing actor.
Eight, I could not believe how incredibly much
Johnny Depp loved Winona Ryder
in Edward Scissorhands. They were like unicorns.
Nine, if I were Juliet
That would mean I would be married to Leonardo DiCaprio.
Ten, if I were married to Leonardo Di Caprio
we would have houses in Hollywood and Europe and Florida

4NG Fanatics

That my friends could visit any time
And I would have my own successful business
And I would still write in my journal
When Leonardo is out making movies
And I would decorate one of the houses entirely in Kelly green,
Which is an amazing color.
Eleven, if I were married to Leonardo DiCaprio
And he was Romeo,
And I woke up and I saw that he had killed himself
because he thought I was dead even though I wasn't,
I would definitely do what Juliet did,
Which is incredibly sad, but I definitely would.
Twelve, I would definitely NOT EVER do what Juliet did for any boy in my class.
NOT IN A BILLION YEARS.
Thirteen, I know Leonardo is fat now, but I don't care.
In conclusion, Shakespeare is an amazing writer,
And it makes me sad that there are no boys in my class
Who are anything like Leonardo DiCaprio.

Mrs. Jackson

One, if Suzy Warner calls Romeo "Leonardo" one more time,

I will kill her and lose my pension.

Two, you should be allowed to drink Diet Coke in English class.

And three, what's that boy behind Suzy thinking?

He's not even in this class.
