Lover's Island by Stephanie Christensen
Humorous Interpretation- F or M

Host (highly enthusiastic): Welcome to Lover's Island– an arm-tingling new TV show that mimics– no, OUTSHINES, your favorite trash reality TV show Love Island!

(stares directly at an audience member) No rights reserved, copyright infringement NOT intended, please do not sue me, I'm just a broke 37-year-old trying to make it as a Hollywood actor.

ANYWAYS…

On OUR show, Lover's Island, not only are these hot singles here to find love, but what they DON'T know is that they're here to find survival too.

That's right. With absolutely zero help from the TV show producers, cameramen, or me, 12 stupid yet attractive singles must learn to fend for their lives in the brutal hurricane season of the pacific ocean on a desert island AND flirt at the same time.

Man, they don't have a clue what's in store!

… Let's meet our lucky contestants!

Mikayla: HI! I'm Mikayla! I'm from Southern California, but don't be fooled… I'm a laguna beach babe, not a burbank bummer.
I said yes to Lover's Island to find the love of my life! A guy with strong arms, dangerous-looking tattoos, and a cruel sense of humor that makes me question his loyalty to me.

Wait, no, that was the OLD Mikayla. The new year new me Mikayla is NOT falling for toxic love anymore.

I'm not here to be a side chick. I'm here because I'm wifey material.

Host: WOW! Welcome Mikayla! What a bombshell! Next up, it's time to meet our first guy… Gerald!

Gerald: Hey. I'm Gerald.

Host: Tell the audience about yourself, Gerald! This is your intro interview, after all.

Gerald: There's not much to say. I like free trips to the beach. Host: But this is an island,

Gerald.

Gerald: I like free trips to islands. They seem like the beach. Host: Uh huh…

Gerald: She's hot.

Host: ALRIGHT. I think maybe Gerald is an onion– off-putting and smelly on the outside but just needs a little peeling of his layers to get to the true delicious personality inside.

Gerald: Yeah. That's what makes me Gerald.
Host: And the next boy you'll be meeting is Ryan– a surfer from Pacific City Beach, Oregon.

Ryan: What's up man! My name is Ryan! I love adventures and I love life! Life is full of so many joyous surprises, man! I'm a MASSIVE surfer and surfing is a part of everything I do– just like my search for love!

Host: Tell us more, Ryan!

Ryan: I look for love in every person and thing I meet. You're nice to me in a grocery store? Love. You honk at me in traffic because I was texting instead of watching the light turn green? Love. You turn the TV volume up so we can watch football together instead of talking? THAT'S LOVE!

Even if I see a wilted fern that needs to be watered or a deceased possum who couldn't quite safely cross the street, I know there's love in those things too.

Host: Welp. That's both nice and really disgusting. Welcome to the show, Ryan! And finally, let's meet our last two contests– two strong women. On Lover's Island, we like to make our ratio three women to two men to both INCREASE competition and increase the odds of survival for our cohort.

Usually more women means better outcomes. Meet Jerry Ann and Symphony!

Jerry Ann: Hello!

Symphony: I'm honored to meet me, too, I know.
Jerry Ann: My name's Jerry Ann. I've been an investment advisor at a tax firm for the past 20 years.

Ryan: YIKES you're old!

Jerry Ann: Alright, barbie doll ken. I may be seasoned, but that helped me learn how to be a great life partner through *several* failed relationships. I work remote so I have plenty of flexibility in my schedule. And I'm looking for someone quiet and wise… like Gerald.

Gerald (nods): I'm Gerald.

Jerry Ann: Hubbah hubbah.

Symphony: Alright, enough about you– HI EVERYONE, I'm Symphony, and I just *know* you all already know who I am.

Mikayla: Uh sorry, not to be rude– you know, women support women and all, but I have no idea who you are.

Symphony: (huffs) I'm Symphony?! Like "Let's Sing A Symphony"? I'm the fourteenth most followed influencer on the bird app.

Mikayla: Oh, chirper? I love that app!

Ryan: Radical! I see a lot of love… in your love for being a chirper influencer, Symphony.

Symphony: Thanks, Ryan. I would *love* for you to teach me how to surf on this beautiful island.
Ryan: Hey man, I'm open to that. You and Mikayla are both my type.

Host: ALRIGHT, Enough socializing, you five… It's time for me to tell you the PLOT TWIST of a century! You won't be able to control your pretty little brains!

Mikayla: Eeeee! I hope it's a couples' challenge! Or a round of meet and greet truth or dare!

Host: Oh no, it's nothing like that, sweet Mikayla.

Jerry Ann: See? It's going to be something much more mature. For a mature seasoned audience.

Host: Indeed, Jerry Ann. On Lover's Island, you'll have 14 days to flirt and find your perfect love match here. By the end of day 14, the couple who America loves the most will be voted TOP SURVIVALIST LOVERS!

Mikayla: Oooooohh!

Host: But the SURPRISE of Lover's Island is that you will also be fending for your lives, attempting to survive here on this island, just the five of you, with NO additional survival supplies or help from outside people.

Jerry Ann: [looks appalled/mad] What the–

Symphony:What does that mean, no additional supplies?! You promised I could have my full 28 sets of affiliate marketing bikinis?!? I promised my advertisers I would wear them!

Host: Sorry Symphony, but you'll have 1 swimsuit and 1 swimsuit only.

Symphony: FOR FOURTEEN DAYS????

Ryan: I can kinda see the tough love in this.

Gerald: Gerald is not happy.

Host: Alright everyone! Good luck and have fun! Don't try to call… cause there's no failsafe way out of here! Bye now!

Ryan: Wow. That was really unexpected. What do we do now? Jerry Ann: Try to fish for

dinner, I guess?

[Transition]

Host: WELCOME BACK to LOVER'S ISLAND, where we have been watching our lovers flirt and barely feed themselves for five days now… let's check in on our favorite singles!

Mikayla (ragged): water– do you have water?

Host: Oh Mikayla, yes *I* have water! But none for you, silly! How is everyone else? Any love connections? It looks like Jerry Ann and Gerald are getting cozy under a palm frond.

Jerry Ann: Gerald, do you think you can use your big arms to lift me up to reach a coconut for dinner today?

Gerald: Yes. I am coco-nuts about you.

Jerry Ann: Awww, Gerald!

Host: Well aren't they cute! Keep your eyes on them, America. Has anyone seen Symphony? … Symphony? Oh Symphony, where art though Symphony?

Symphony: IF YOU DON'T GET MY NAME OUT OF YOUR TREACHEROUS MOUTH

Host: WHOA! She is coming in hot over here. Good thing the contestants can't reach me or evoke physical violence, as I'm floating on a horse-sized drone twenty feet in the air called… [advertisement-like] DRONE-HORSE. The new transport of the future. Available for pre-purchase on Cool Tech Gear dot Com.

Symphony: It was one thing for me to be without my phone – the heart and SOUL of my content creation– for 14 days! *That* I sacrificed, figuring my exposure to national television fame was worth the temporary pause… but to be FIGHTING FOR MY LIFE. I have salt water in places I shouldn't have salt water! No makeup! No ability to create! I'm *dying* out here!

Host: Dating is about conquering real life together, Symphony. [to the audience] Good thing she's got a lot of fans at home, cause I don't think she'd win the popularity vote otherwise.

Ryan: But she'd win my popularity vote, man.

Symphony: Ryan is *literally* the only thing keeping me hanging on right now.

Mikayla: Me too. He is this California babe's love.

Symphony: No, he is this Chirper babe's true love.

Ryan: Ladies, ladies, what do I tell you every time we go digging for hermit crabs to eat?

Mikayla: [sighs] love is all around

Symphony: Right… love is all around… except for you, host. I hope you and the producers never find love.

Host: Yow! What a zinger! America, we have got a DRAMA-FILLED show tonight. Stay tuned for the next hour.

[Transition]

Host: And we're back, on day 12 of 14. Our survivalists are almost done creating their strongest love bonds ever. What will we find when we fly our drone over this morning? Let's see now… [drone flying noises/transition] Uh… this doesn't look good…

Symphony: HELP! HELP!!

Host: What's going on?

Symphony: Mikayla's been attacked by a hawaiian monk seal! It ripped off her left forearm!

Mikayla: [screaming and waving arms frantically] AHHHHHH! MY FRENCH DIP MANICURE IS RUINED!!!!
[stops, looks down at left arm, shocked, then starts screaming again] AND I'M GOING TO DIE!

Host: Whoa whoa whoa! We've always talked about it but never in history has a Lover's Island contestant actually died. What do we do? We aren't supposed to intervene in their survivalist adventures!

Mikayla: A MONK SEAL RIPPED MY ARM OFF! IT ATE MY ARM FOR A MID-MORNING SNACK!

Host: Well, America, I guess your favorite couple choice will have to be between Gerald and Jerry Ann and Ryan and Symphony.

Symphony: Just because Ryan and I like each other, doesn't mean we can let Mikayla die!

Ryan: Yeah man, that's so not love-centered!

Gerald: Gerald is ANGRY!!!

Host: Listen guys, I don't make the rules, I'm just here to make my fame and my paycheck.

Symphony: And so am I!

Jerry Ann: Symphony, you used to be a cheerleader right?

Symphony: Yes, I did! That's SO not relevant right now, Jerry Ann.

Jerry Ann: [whispers in Symphony's ear]

Symphony: OHHHHH

Jerry Ann: [turns to look at Gerald] Gerry-bear? A

Gerald: Yes, female Jerrybear?

Jerry Ann: Remember what we've been planning for the last 10 days? Remember how we got the coconuts down so we wouldn't starve to death?

Gerald: That's the best part of flirting with you, female Jerry-bear.

Jerry Ann: We're going to do it again, but this time with Symphony [turns to Ryan]… Ryan– hand Symphony your makeshift tree bark surf board.

Ryan [to Symphony]: Fine… but be careful with it, my love. Symphony: Got it!

Host: [laughs nervously] Heh… I don't know what they're doing. Some sort of viking's funeral for Mikayla's impending doom? Maybe they're going to use coconut water to nurture her back to health!

Mikayla: [slowly fading to unconsciousness] I actually think coconut water might help right now…

Jerry Ann: You're going to jump on the count of three, Symph. Host: Uh, jump?

Symphony: [under breath] I love you, national television fans…

Ryan: [under breath] They love you too, Symphony. Jerry Ann: One… two…

three… CHIRPER!

Symphony: CHIRPER!

Gerald [gets in position with hands clasped together for Symphony to step into his hands and be boosted up into the air] … And Gerald LAUNCHES the skinny human into the air!

Symphony: AHHHHH! EAT SURFBOARD, HOST!

Host: WHOA, how are you – uh, cameramen?! She is flying pretty high from that cheerleader launch… can you– can anyone– SOMEONE INTERVENE

Symphony: HAY- YAH! [smacks host with surfboard]

Host: OUCH! She hit me! I've got a surfboard welt! I'm losing my balance… I'm toppling off the DRONE-HORSE.

Symphony: Sorry, host. The staff doesn't intervene around here.

Host: WHOOAAAAHH!!! [splash into the ocean]

Symphony: Alright survivors, I'm landing the DRONE HORSE on the beach. Let's load Mikayla on and then we can grab our coconuts and go after those cowardly cameramen…

Ryan: That was RADICAL, Symphony.

Gerald: Yeah! Beaches suck!

Mikayla: BUT WAIT– PLEASE!

Jerry Ann: Yes, what is it, Mikayla? Anything you need… we'll help you! Do you have any last wishes in case we don't make it to a hospital?

Mikayla: In case I don't make it?!? Jerry Ann, get the toxic negativity out of here! A laguna beach babe is built to survive! We have seal attacks all the time there. This is the second time they've sown my arm back on…

Jerry Ann: Oh, gross.

Mikayla: But I do have one question.

Symphony: Make it fast, I don't know how much fuel is left in this DRONE-HORSE. And I really want to livestream my behind-the-scences experience on Chirper as soon as possible.

Gerald: Gerald is ready to answer the question.

Mikayla: Who do you guys think will win America's favorite couple? Maybe me and the seal?

Ryan: Man… let's just get off this lover's island. Symphony: I agree, Ryan. I *really*

don’t feel the love here.
