"Winning Rounds Since 2000"

NARRATOR: Let me tell you a story, kids. Once there was a beautiful kingdom known as the Kingdom of Drevthru. In the Kingdom of Drevthru there stood a White Castle atop a mountain overlooking a great empire. The leader of this monarchy was a brave ruler named Burger King who, alongside his wife, Dairy Queen, kept the kingdom in blissful harmony.

Fast Food Fairytale

by Mitchell Whittenhall

BURGER KING: Wife! The messenger has arrived!

DAIRY QUEEN: Oh, goodie! Burger King, what news doth Sonic bring?

BURGER KING: Allow me first to observe the disclosed information within. Boy, am I glad that our kingdom has been able to go so long without a single war!

DAIRY QUEEN: What does it say, my liege?

BURGER KING: The Health Nuts have declared war on us.

NARRATOR: The Health Nuts, a threat to the stability of Drevthru for eons since the foundation of its … foundation.

BURGER KING: Summon Colonel Canders!

NARRATOR: Colonel Canders, the man who invented one of the most ingenious weapons to fight against the Health Nuts … the fried chicken. It took the health-benefits of simple protein fryed it in liquid grease. His name was Colonel with a K, Fredrick with an F, and Canders with a C – he went by his initials: KFC.

KFC: Yes, my lord, what is thy bidding?

BURGER KING: The Health Nuts have begun an uprising!

KFC: My greasy chicken tenders!

BURGER KING: Our preparations must begin.

KFC: Shall we invite Chick-fil-a?

BURGER KING: No, that's a Christian company, he's too controversial to make fun of.

KFC: Ah, good point.

BURGER KING: My queen!

DAIRY QUEEN: Yes, my king?

BURGER KING: It is time to use the One Onion Ring To Rule Them All.

NARRATOR: Preparations began thusly from the top of Mountain Dew to the bottom of the Fanta Sea. The Queen called on her two most loyal servants, Baskin and Robin, commanding them:

DAIRY QUEEN: You must journey to the edge of Drevthru, where food is no longer fast, carrying only this, the One Onion Ring To Rule Them All, and you must –

ROBIN: One Onion Ring To Rule Them All?

DAIRY QUEEN: One Onion Ring To Rule Them All.

ROBIN: One Onion Ring To Rule Them All?

DAIRY QUEEN: Yes Robin, please stop interrupting me, And journey to Mount Dew, which lies in the heart of Vegan Ville, and drop this onion ring into the liquid carbonation of the mount. This will cause the carbonation to fissure and destroy the Health Nuts once and for all … I read that in a book once.

BASKIN: A book?

DAIRY QUEEN: Yes, the ancient scrolls of Diabetica upon which our laws are based.

BURGER KING: Hey! I know I haven't been in this scene yet, but here's a map!...

NARRATOR: The two began their journey. Nuff said..

BASKIN: ROBIN, do you think we can make it?

ROBIN: I'm not sure … Dairy Queen will have one heck of a blizzard if we fail.

BASKIN: Oh, that joke was just cheesy.

ROBIN: Extra cheese is fifty cents, Baskin …

BASKIN: Eck! In bad taste …

ROBIN: I actually enjoy the cheese!

BASKIN: Stop joking around! You're already falling behind.

ROBIN: I guess I have to … ketchup. Sorry. Baskin, where do we go first?

BASKIN: It says on the map we need to cut through some fields on our way to Vegan Ville.

ROBIN: Whoa, this is a massive farm.

NARRATOR: The two are on a massive farm. Are you even listening?

BASKIN: This must field must be Farmer McDonald's

ROBIN: I've heard that once he joined the Drevthru forces child obesity skyrocketed.

BASIKIN: This must be where they harvest the pink goo. Well Robin we must get moving.

ROBIN: It says on the map to head this way.

NARRATOR: After journeying hours in the correct direction, they found themselves. Then, they espied a small hut on the Drevthru - Vegan Ville boarder.

BASKIN: Robin, come! I feel we will find direction in this hut!

ROBIN: I feel you are correct Baskin.

DUNKIN: Hello, fellow fast food friends! My name is Dunkin! More famously known as DUNKIN Donuts, second in the Drevthru military only to Colonel Canders.

BASKIN: Dunkin Donuts! Pleased to meet you, sir.

DUNKIN: Shame you arrived now, for my wife just left.

ROBIN: That is a shame … I'd like to have met her.

DUNKIN: Ah, yes she's quite a Bell!

ROBIN: What's her name?

DUNKIN: Taco.

ROBIN: Oh. Ooooh

BASKIN: We're lost and need directions to Mount Dew.

DUNKIN: Mount Dew! Why on earth would you want to go there? That's in Vegan Ville!

BASKIN: We're on a mission from Queen Dairy to drop the One Onion Ring To Rule Them All into Mountain Dew and destroy the Health Nuts forever. Say, where is this little tent?

DUNKIN: This little tent is the frontier against the Health Nuts – y'know, it's Pizza Hut.

ROBIN: Wow! That's wigwam Wonderful! Where can we find Mountain Dew?

DUNKIN: Like, how I would get there?

BASKIN: Yes! How would you get there?

DUNKIN: Well, IHOP,

ROBIN: OK!

DUNKIN: You should take the Subway.

NARRATOR: They got off the Subway at Vegan Ville – a dark and desolate place where the food made people feel good about themselves. Ridiculous.

BASKIN: This way, Robin.

ROBIN: Do you think this is right?

BASKIN: No, this is left.

ROBIN: Isn't that wrong?

BASKIN: No, it's right.

ROBIN: But you just said it was left.

BASKIN: No, left is right.

WENDY'S: AHHHH

ROBIN: What was that?

WENDY'S: Help! I'm right here!

BASKIN: Who are you?

WENDY'S: My name is Wendy's and I'm being held hostage here in Vegan Ville!

ROBIN: Why?

WENDY'S: Because quality was my best recipe! ROBIN: Ah, a damsel in distress!

WENDY'S: Yes! In … dis dress!

ROBIN: Baskin, we have to save her!

BASKIN: Robin! We're already 8 minutes into the speech, we don't have time for another subplot!

ROBIN: Good point! I can see Mountain Dew, it's over there!

WHOLE FOODS: Bwahahaha! Behold, I, Whole Food! I put holes in foods … like you!

BASKIN: So that's how it is! Robin, free Wendy's! I'll take on this grass-fed abomination!

WHOLE FOODS: I will smear you like humus.

BASKIN: COME AT ME, BRO!

WHOLE FOODS: We aren't even related, but kay, bruh! You are stronger than expected! I've had a flavor of your fury.

BASKIN: Just one flavor, but I have 31 in all!

Narrator: Baskin beats the ever-loving gluten out of Whole Foods.

WHOLE FOODS: You've defeated me! How did you do it?

BASKIN: You really want to know?

WHOLE FOODS: Yes, tell me! I must learn from you!

BASKIN: Because I'm Baskin! Ba-na-na-na-na-naaa Baskin!

ROBIN: And Robin … I kind of helped.

NARRATOR: The two, having defeated Whole Foods, marched the rest of the distance to Mountain Dew, a bubbling cauldron of green, acidic sugar. They totally forgot about Wendy's.

BASKIN: Holy Whoppers, Robin! This is Mount Dew.

ROBIN: Baskin, Dunk in the One Onion Ring To Rule Them All … I mean, you are the hero.

BASKIN: Thanks, Robin. Here we go! This is to destroy our enemies! To remain triumphant! To cure this land of its healthiness and to come out as the victor in this 10-minute war. THIS IS FOR FREEDOM!

NARRATOR: The volcanic explosion that followed, rather than destroy the Health Nuts, combined the two kingdoms' powers – becoming the all-powerful abomination known only as 'the church potluck'.
