Moonraker Madness

by Marissa Molchansky

Moonraker: (writing in her diary) And that was the first time I ever saw a tapeworm. (sees audience) Oh! Hey everybody, this is my diary! Diary, everybody, everybody, diary

Diary: Hello.

Moonraker: Yeah, that's right. My diary talks. But more importantly, it's covered in butterflies and honey badgers--my two favorite animals. Hey diary, want to tell them what I did today?

Diary: I suppose I shall. When I woke up this morning my stomach felt like the ocean during a hurricane, so I sat on the toilet for the first three hou-

Moonraker: Skip ahead please.
Diary: I'm never eating tacos again it's been fifteen-

Moonraker: A little bit past that…
Diary: Dear diary, today I kissed Jake

Moonraker: There we go, thank you. Was that so hard?
Diary: No, I--

Moonraker: Okay now shut up diary; I wanna tell this story
Diary: Oh no. But I find this so interesting I just… (falls asleep)

Moonraker: So I walk into school lookin' all hot and stuff and, of course, Vicci has to talk smack

Vicci: Ew. Why is there a bug on your face?

Moonraker: That's not a bug; it's Cristoff, and he's better at watching Star Trek than you.

Vicci: Whatever. I hear you've never even kissed a guy

Moonraker: Not true! I kiss my diary all the time (kisses diary)

Vicci: That doesn't count

Moonraker: It counts more than that inmate you keep sending letters to!

Vicci: Shut up he's really sensitive!

Stevie: Hey girls!

Vicci: Ew.

Moonraker: Hi Stevie

Stevie: You look so beautiful today Moonraker!

Vicci: If by beautiful you mean toilet-y, then yes. She does look like a toilet.

Stevie: Not really…

Moonraker: Aw, thanks Stevie!

Vicci: Whatever. You both look like toilets.

Moonraker: And that's when I saw him…standing there like a bronze statue. Or a gold statue? Isn't gold better than bronze? But wait isn't platinum also better than gold? Let me think, how many albums has Nickelback sold…hm…Oh hey Jake…wanna see my appendectomy scar?

Jake: Uh…what?

Moonraker: That's cool, I was just joking. Just joshing. JUST JAKING (laughs). So I was just thinking, you know…We should like kiss, or whatever, right? (laughs) I mean wouldn't that be hilarious!

Jake: Not as hilarious as Happy Gilmore. OH YEAH!

Moonraker: Totally. How about we leave it up to fate then, shall we? How about…oh, I don't know. I ask this diary that just happens to be here in my hands! So weird. Diary, should Jake kiss me?

Diary: (reading) Jake should totally kiss you. If he doesn't kiss me—

Moonraker: Me.

Diary: He will get chicken pox and die.

Moonraker: Oh darn guess you have to kiss me now. Cruel world. (puckers up)
Jake: (to his friends) Hey guys, let's go throw rocks at that homeless shelter!

Moonraker: Alright, that's cool. Have fun Jake! Bye!
Diary: You're taking too long to tell the story

Moonraker: I am taking the perfect amount of time to tell the story
Diary: Oscar Wilde once brilliantly quipped, "—

Moonraker: Oh my god, stop. No stupid quotes from The Beatles. I'll tell it faster. (to the audience) So the next day I go into school, looking hotter than ever…Oh. Hey Vicci.

Vicci: Oh. Hey Moonraker. Didn't see you there behind all that ugly.

Moonraker: Oh. Hey Vicci. Didn't see you behind all that…locker, because you are very in shape and it was open so it was hard to see you.

Vicci: Do you even go to this school anymore? I heard you got kicked out for dealing drugs and being ugly

Moonraker: No! I…not all that stuff, not true! Not funny!

Vicci: Wait, are you wearing lipstick?

Moonraker: Why, you jealous?

Vicci: Moonraker, it's supposed to go on your lips

Moonraker: Dammit! I always get lipstick confused with blush.

Vicci: Why are you all dressed up anyway? Is there an Amish funeral today?

Moonraker: There probably is because of their limited access to modern medicine, but I am dressed like a sexy woman-thing because I am totally going to kiss Jake today.

Vicci: HA. That is a joke. And it was funny. Jake wouldn't kiss you if you were his lucky rabbit foot. He wouldn't kiss you if unicorns existed and pigs flew over the moon.

Moonraker: You can talk all the smack you want about me, but you NEVER. EVER! Say that unicorns don't exist.

Stevie: Hey ladies! Looking quite beautiful today

Vicci: Oh. Hi Stevie.

Stevie: Moonraker, what is that intoxicating perfume you're wearing?

Moonraker: Old Spice. Do you like it?

Stevie: Its scent, although lovely, pales in comparison to the beauty of the face on which it was mistakenly applied.

Moonraker: That's precisely what I was going for. Jake doesn't stand a chance

Stevie: Oh…Jake? You did this for Jake? Good luck.

Moonraker: Thanks. As if I need it, I'm hot.

Vicci: Whatever

Moonraker: Whatever

Vicci: Whatever. Go away

Moonraker: I'm going (walks over to Jake) Hey Jake, wanna hear a joke?
Jake: You know I would love to, but I would actually hate that.

Moonraker: That's okay I'll just take my shirt off. What?!Who said that? Jake you're gross. I love you. Wanna meet me by the lake tonight? It'll be moonlit and beautiful, you know…if you're into that.

Jake: Hmmm…meet you by the lake…that gives me some ideas…

Moonraker: Alright, I don't know why you're pondering so ominously over there but I'll see you then!

Diary: How many times must I warn you, he's not going to kiss you.

Moonraker: Shut up diary, you're stupid. He just said he's meeting me by the lake tonight; do you even have ears?

Diary: No.

Moonraker: Oh. I guess that makes sense.

Diary: You should just look out. That's all I'm saying

Moonraker: I will look out. From the dock as Jake holds me close and I listen to his heart beat and dolphins fly and the moon screams the lyrics to Aerosmith's "I don't wanna miss a thing".

Diary: I don't think you know how lakes work

Moonraker: You don't know how you work. Just shut up and let me get ready. (Puts on makeup) Let's do this! (transition)

Moonraker: This lake is so beautiful I want to write a song about it. Done. Lake, lake lake. Ohhhh you're a lake. Lake, lake lake…

Jake: Hey Moonraker, lookin' hot.

Moonraker: Oh, thanks Jake; it's nothing I just woke up it's hot outside my grandpa died. Look at you! All…in sweatpants. What a bold choice!

Jake: Yeah. I got these at Costco. Five bucks. Bargain shopped like it's my job.

Moonraker: Wow. You're so economical.

Jake: Now that we're alone, how about we get our mac on?

Moonraker: If that is a colloquialism for kiss then YES!

Vicci: Hey Moonraker, kiss this! (she throws a water balloon at Moonraker)
Jake: (laughs) Water balloon to the face. Classic. You didn't actually think I would kiss you, did you? Who would be that gross?
Stevie: I would!

Vicci: Gross.

Moonraker: Stevie! What are you doing here?!
Stevie: Look, Moonraker, I came down here because I knew these people were up to no good.

Moonraker: (crying hysterically) Why do you even care? I'm ugly and I smell and I may have ran over a guy and not told anyone and left him for dead in Utah.
Stevie: Because you're beautiful to me! Sure, there are people out there who are insecure to the point that they feel the need to constantly ruin other people's lives to feel better about their own

Vicci: Hey! Yeah, it's true.

Stevie: But there are also the people who genuinely love you and care for you no matter what. Also, your name is Moonraker, which is a reference to my favorite James Bond movie of all time, and I find that really hot

Moonraker: What are you saying??

Stevie: What I'm saying is…I love you, Moonraker!

Vicci: Ew

Moonraker: Stevie, that's the nicest thing anyone's ever said to me! But…hm…I'm feeling quite drawn to Jake…

Jake: Hot

(Moonraker kisses Jake. As she does so she pushes him in the lake)

Vicci: Oh my god you pushed Jake in the water! Gross it's so dirty!

(Moonraker pushes Vicci in the lake)

Moonraker: That kiss made quite a splash
(transition)

Moonraker: (writing in diary) Dear diary

Diary: (Being written on) Ow, ow!

Moonraker: Dating Stevie has been the best time of my life. He always makes me smile and he doesn't watch Jersey Shore. His bad skin also makes me feel better about my psoriasis. Oh, and as for Jake and Vicci? Well, it turns out that they can't swim…so the night I pushed them into the lake they drowned and died. Oh well! Time to go to bed. I can't wait to tell you about what happens tomorrow! (closes the diary)
