Sarah's Excellent Adventure with a Glowing Orb
By Lawson Powers

MOM
Sarah! Will you please get off that phone and wash the dishes like I asked you to an hour ago?!

SARAH
Ugh! Mom, I can't handle this right now! Ed Sheeran just came out with a new album and I have to finish listening to it! I'm just gonna go cocoon myself in my sleeping bag and drink my mango tea in the yard!

She storms outside, puts her earbuds in, and encloses herself in her sleeping bag, mango tea in hand. All of a sudden, a loud explosion and whirring noise is heard.

SARAH (*Poking her head out of the sleeping bag*)
What was that???

Walking over to a glowing orb in her yard

SARAH
Did this glowing ball just fall out of the sky?! That's crazy! I always wanted to be in a Sci-fi movie! ...I gotta touch it. (*Finishing off her tea*) Alright, here goes nothin!
S
She excitedly grabs the orb. An extremely loud whirring is heard again, but it stops.

SARAH
Huh, that's weird. Usually glowing things that fall from the sky do cool things in movies...maybe this is broken or something.

She hits it several times to get it to work. It makes a loud explosion noise and she is transported in time and space to Canada c. 2005.

SARAH
WHOA! Where am I?

George (*in thick canadian accent)*
Uh oh, it seems you've dropped your ball there.

George is a teenage boy, around Sarah's age. He picks up the orb and hands it to her.

SARAH
Holy cow, bro! Am I in Canada?!

GEORGE
Sure are. Sorry for not telling you that sooner.

SARAH
What? Why would you apologize for that?

GEORGE
Oh, we Canadians are all polite. Who are you?

SARAH
I'm Sarah!

GEORGE
Hi Sarah. Say, would you like to borrow my mobile to call your parents? (*Holding out his phone*)

SARAH
Woah! Where's this phone from? 2005?!

GEORGE
Yeah, that is the year, after all.

SARAH
Wait. If it's 2005 then Justin Beiber isn't popular yet, right?

GEORGE
Who?

SARAH
This is awesome! This ball must have brought me back in time! You know what this means! (*Looks dramatically as if staring into a camera*) I can assassinate this pop sensation before he gets out of control.

GEORGE
Woah! Hold your horses there! You're going to kill a boy?

SARAH
Ugh. You're right. This is way too obvious a plot to actually do. Does the writer really think I'm going to stoop to this level?! No! There's a cooler story here and I'm going to find it!

GEORGE
Cool! Do you mind if I hold the orb for a minute?

She hands it to him when he touches it, it makes a loud explosion noise and they are transported again. We are transported to 1958 England. The queen steps out, but she is speaking with a Cockney accent.

QUEEN
What's all this noise about then?

GEORGE
What just happened? Where are we?

QUEEN
Why, you're in Britain, of course! Queen Elizabeth II here. What are these clothes you're wearing?

SARAH
Well, I'm Sarah. I'm from the future, and he's from 2005 Canada. What year is this?

QUEEN
1958!

SARAH
Cool! Wait, if you're the queen, why are you talking like that?

QUEEN
Eh, I have to talk all prim and proper for the public, but this right here is my real accent!

SARAH
Wow! You kind of sound like..(*Getting an idea*) okay! Can you say, "Why do we fall, Master Wayne?"

QUEEN
Um, okay. Why do we fall, Master Wayne?

SARAH (*almost cutting her off*)
SO WE CAN LEARN TO PICK OURSELVES BACK UP!!

QUEEN
Okay, clearly there's something here I'm not getting. (*Turning to George*) Maybe you can tell me what's going on.

GEORGE
Well, there I was, mindin' my own business watching Degrassi, when all of a sudden this young lady here pops up out of nowhere! She says she's from the future and this ball took her back in time. When she let me hold it to see what was happening, we

got transported here! I simply don't believe it! Pardon the long talking, I feel like that speech was a kilometer long.

SARAH (*Giggling*)
I like your accent. Can you say, "house?"

GEORGE
House (*Pronounce hoose*)

SARAH (*giggling*)
Can you say, "about?"

GEORGE
Aboot.

SARAH (*almost losing it*)
Can you say, "Take off, you hoser!"

GEORGE
I'm sorry, but I'm not that rude. Sarah, are you able to take me back home?

SARAH
I don't know how to work this thing!
QUEEN
Let me see that!

She snatches the orb out of Sarah's hands.

QUEEN (*Speaking not with her accent, but with Sarah's voice*)
Now, let's see if there's something on here...Wait a second! Why do I sound like this!

SARAH (*With the queen's accent*)
I don't know! Wait! Now I sound like the Queen! Cool! (*As if getting into a character, she hunches over and squints her eyes*) What are you finkin about over there? (*Giggles*) I like this!

GEORGE
Can I see that, eh?

Grabs the ball from the Queen's hands.

GEORGE (*Speaking with Sarah's Voice*)
Now, if we could just- Wait a second, now I sound like Sarah!

SARAH
Ha! A man speaking with the voice of a teenage girl!

GEORGE
Yes, it's hilarious, now can you switch it back? (*Forgetting to be polite*) Uh, please?

SARAH (*Still with the queen's voice*)
Okay. When the Queen grabbed it from me she got my voice, and when you grabbed it from her, you got my voice from her. So that means that the Queen should have your voice!

QUEEN (*With George's voice*)
House. About. Sorry. (*Pronouncing it "soory")* Yeah, I do.

SARAH
Okay, so Queen Elizabeth, grab it from George. And now I grab it from the Queen (*she grabs it and her voice changes to her own*) and it should work! Okay, I have my voice back! What about you, Queen Elizabeth? Say something you say all the time.

QUEEN (*back to her voice*)
You better not laugh or I'll make your eyes as black as those stupid hats your wearing!

GEORGE
House, about. Mine's back too! Sorry. Wow, that ball sure is cool!

QUEEN
Yeah! Let me see that!

GEORGE
No, let me see it, eh!

They both grab it at the same time. The ball makes a loud explosion sound and they are transported again. This time it's 1915 India.

SARAH
Cool! Whenever all parties present grab the ball, we transport! Where do you think we are? And what year is this?

An Indian man named Dr. Aziz steps out.

DR. AZIZ
I am confused as to why one would ask this question, but this is 1915 India! I'm Dr. Aziz, pleased to make your acquaintance.

SARAH
AWESOME BRO! I'm Sarah, and that's Queen Elizabeth the third-

QUEEN
The second.

SARAH
Oh, right. My bad. And that's George. We are from different parts of history and this magical ball has brought us all together!

DR. AZIZ
Very interesting! Do you mind if I take a look?

SARAH
Not at all! Here!

She hands it to him and their voices swap.

SARAH (*With Dr. Aziz's voice, Giggling*)
Hello! Thank you for calling customer service, my name is Ranjit, how may I help you?

DR. AZIZ (*with Sarah's voice*)
Wait a minute, what just happened?

GEORGE
When the ball is swapped between people, their voices are swapped too. And when everyone present grabs the ball they are taken back in time.

DR. AZIZ
I see. Give me that!

He grabs the ball and has his own voice back.

SARAH
You're no fun! Okay, so each time I transport, this ball takes me a little further back in time. How am I gonna get back to my own time?!

DR. AZIZ
An interesting question indeed. Say, how did this ball come into your possession in the first place?

SARAH
Well, I was just laying there in my sleeping bag with my Mango tea and this ball flew into my yard, like a meteor!

QUEEN
Say, have you tried hitting it and yelling at it until it does what you want? That's what I do with my servants and it works great for me.

SARAH
Well, it's worth a shot!

She shakes it around and hits it repeatedly yelling, "Take me back home!" We hear a loud explosion and she is transported back home.

SARAH
Hey! I'm home! This is awesome! Wait, I must have left the others in India! Hmm...should I just leave them?

MOM (*off stage*)
Sarah! Have you done the dishes yet?

SARAH
Sorry mom, I've got to do something to do!

She shakes and hits the ball again yelling, "Take me to 1915 India!" We hear a loud explosion and she is transported back to India.

SARAH
Hey guys!

QUEEN
There you are! We were starting to worry you had left us here!

SARAH
Well, it was either this or do the dishes, so you guys got lucky, I guess.

GEORGE
Say, that kind of hurts my feelings.

SARAH
You'll be fine buddy. Alright! Let's take you two back home! Bye Dr. Aziz. It was nice meeting you and using your accent to play along with a stereotype from my own time.

DR. AZIZ
I suppose I'm glad to be of assistance. Goodbye.

SARAH
Okay, as soon as all three of us put our hands on the ball it takes us back in time. SO you two will have to wait till just before it transports us to put your hands on it.

She begins shaking and hitting the ball, yelling, "Take us to 1958 Britain!" We hear a loud explosion and they are transported to 1958 Britain.

QUEEN
AH, we made it. See you little buggers later. Oh wait, no I won't!

SARAH
Bye, Queen. Even though we just met and you seem like you hate me, I think that you would be my aunt if we were born in the same time period.

QUEEN
I'm not sure if that's supposed to be a compliment.

SARAH (*Smiling*)
It is!

QUEEN
Well then you're very strange. Goodbye.

SARAH
Alright, George, you're the only one left.

GEORGE
Pardon, but could we visit one other place before we go back.

SARAH
Uh, sure, I guess. What'd you have in mind?

GEORGE
I'm not sure, but think about it! You could go anywhere in history! Any historical event you could name! Even the beginning of the world!

SARAH
You're right! Okay let's try this.

She shakes and hits the ball, yelling, "Take us to year one!" We hear a loud explosion and we are transported to a movie set.

SARAH
Wait a second. This isn't the beginning of the world. This is a movie studio.

GEORGE
It looks like they're filming a movie called "Year One."

SARAH
What?! With Jack Black? Yes! I love Jack Black! I've got to get his autograph! There he is over there! (*Running over to him*) Jack Black! Jack Black!

JACK BLACK (turning)
Huh, yeah?

SARAH
Oh my gosh, Jack Black, it's really you! I'm such a huge fan and I've seen all your movies and I think you're just awesome and-

JACK BLACK
Wooah, haha calm down there, missy.
GEORGE
We're sorry.

JACK BLACK
Woah. Who's this dude?

SARAH
Oh, that's my friend George.

JACK BLACK
He looks a little nervous. (*Getting in his face*) What's the matter there, bro. Broseph. You all chill in your noggin there? (*George nods*) Alright dude. (*Backing away*) I'm just making sure. (*Doing a karate kick and a karate chop*) Cause I'm DANGEROUS! Woah man, calm down, I'm just messing with you!

SARAH
That was awesome! That was like every character I've seen you do in the movies but right in front of me! Can I have your autograph?

JACK BLACK
Sure, who am I making this out to?

SARAH
Sarah.

JACK BLACK (*talking as he writes*)
To Sarah, my best fan.

SARAH
Wow! Am I really your best fan?!

JACK BLACK
Well, yeah, I mean, you're one of the only ones.

SARAH
Oh, right. Well we have to go but it was nice meeting you Jack!

They run off of the set.

SARAH
Alright, let's take you back now, George.

She shakes and hits the ball, yelling, "Take us back to 2005 Canada!" We hear a loud explosion and they are transported.

SARAH
Alright, well there's your home, George.

GEORGE
Thanks for the travels Sarah. I had a great time! Sarah...can I just say something?

SARAH
Woah, George! If you're about to tell me that you're in love with me then you should just know that we live in different times and it could never work!

GEORGE
What? No, I was gonna tell you that you have a piece of lettuce stuck in your teeth. Sorry. Peace out.

He walks away as she gets it out of her teeth.

SARAH
Well, that was embarrassing. Okay, time to go home! (*Looks at the ball, thinks for a second*) There's always one thing that I've wanted to try...

She grabs the ball, closes her eyes, and says, "There's no place like home, there's no place like home, there's no place like home!"

SARAH
Hey! I'm floating! I'm floating! (*She opens her eyes and looks down*) Wow! This is incredible! (*Pause*) Wait a second… is this going to take me home?! Where am I going?? Oh no! Maybe if I just sing? A reference to The Wizard of Oz worked a second ago…

She begins singing a certain song about rainbows and she lightly floats to the ground.

SARAH
Wait..so am I home?

MOM
Sarah! Time to do the dishes!

Sarah laughs charmingly and looks into the imaginary camera again.

SARAH
Haha! Yep! Guess I'm home! ...Wait. Is this thing really going to end like a terrible 90's sitcom?
