Characters:
Troy
Lance
Kevin
A Doctor

Troy: Three years ago, my mom died. Last year, my dad got remarried. The lady he was marrying, my step-mom, had been abandoned when she had her baby boy, my step-brother, Lance. She said that her first husband left her because he noticed something was off with Lance and that he didn't want to have a kid anyways. Lance is 10, and I'm 17. Since I've known Lance, I've noticed that there was something different about him. It was because of this "something" Lance didn't have any friends. I didn't really like him, but I felt obliged to hang out with him because no one else would.

Lance: Hey Troy. Hey Troy! Can we please go hang out?

Troy: Not now, Lance. It's a Saturday and I'm working on a project for school. Its worth like half my grade and its extremely important.

Lance: I know but I would really like it if we could hang out, please!

Troy: Lance, I can't.

Lance: I'll help you with your project after, if you please hang out with me.

Troy: I doubt you will be of any assistance to me, but fine, lets go hang out. What do you want to do?

Lance: Oh, don't worry! I have an agenda! (Pulls out a long sheet of paper with a list of plans on it) First on the list! Laser tag!

Troy: Lance, I'm not so sure you will like that. It's a bit of a crazy game.

Lance: Just watch I'll be really good!
(At Laser Tag)
Troy: Okay Lance, you take this gun and shoot everyone you can.

Lance: Got it!

(Laser Tag Battle)

Lance: See, Troy! I was really good right?

Troy: Lance, you got last place.

Lance: Oh well, it was fun!

Troy: (Sarcastically) Yeah it was great.. Okay what's next on that list?

Lance: We are going to play baseball!

Troy: Lance, you know I hate baseball.

Lance: Come on Troy! It's my favorite sport! Plus since you are my brother..

Troy: (Interrupting) Step-brother.

Lance: Same thing.. anyways since you're my step-brother, you should like it too. Look and I brought my lucky baseball.

Troy: Fine Lance, lets go.

(Lance and Troy play baseball. Lance is terrible, but is having fun just by playing. Troy hates every minute of it)

Troy: Okay Lance I am gonna toss you the ball and you try hitting it. Here we go.

Lance: I missed it. Haha! Throw another!

Troy: Here.

Lance: I missed again! Okay Troy, I promise I'll get it this time. One more please.

Troy: Fine here it is.

Lance: (Misses the ball and lets go off the bat, which flies and hits Troy) Sorry Troy!

Lance: Oh man Troy! That was so fun! (Lance is having a hard time breathing)

Troy: (Sarcastically) Sure Lance. What do we have to do next?

Lance: Well next we are going to go to the mall and go shopping together.

Troy: Lance, absolutely not.

Lance: Awh, fine. Can we go watch a movie?

Troy: What movie?

Lance: Bloody Murder 4

Troy: No! That's rated R!

Lance: Come on… Do it for your brother!

Troy: Lance you are not my brother! Step-brother!

Lance: Fine, well then do it for your step-brother.

Troy: Alright. Don't tell your mom I'm taking you.

Lance: I won't!!

(In movie)

Lance: I'm so excited!

Troy: No talking in the movie!

Lance: Sorry…

(bloody scene in movie. Troy covers Lance's eyes. Lance throws his hands off.)

(Troy and Lance walking home in the dark)

Lance: That movie was awesome!

Troy: That was terrible. I hated it.

Lance: You were covering your eyes the whole time silly!

Troy: I was not!

Lance: Was too!

Troy: Was not!

Lance: Was too!

Troy: Was too!

Lance: Was not! Darn, you got me.

Troy: You're too easy. Hey, stay close to me. Its dark and I don't wanna lose you.

Lance: You wouldn't mind losing me. You just don't want to get in trouble with your dad and my mom!

Troy: Just shut up and stay close to me.

Lance: Troy?

Troy: (Angry) What Lance?

Lance: I had a really good time today. Thanks for taking me.

Troy: Don't worry about it.

Lance: I can help you with your project when we get home.

Troy: That's okay, don't worry about it.

(Kevin, the bully, jumps out from behind a bush with a gang.)

Kevin: Well, well, well. Look who it is: Troy the dweeb and his retarded brother.

Troy: Kevin, leave us alone. He is not retarded.

Lance: You better watch out bully. I will punch you in the face if you mess with my brother.

Troy: Lance, for the last time, you are my step-brother not my brother.

Kevin: Oooh. Well would you look at that. The retard has got more guts than his loser brother Troy.

Troy: Kevin, get out of our way we aren't bothering you.

Kevin: Oooh *Troy's mom died, Troy cried, now he's gonna be black eyed.*

Lance: Get outta the way loser bully.

Troy: Lance shut up!

Kevin: *I'm gonna teach you a lesson like no other, just because of your stupid retard brother*

Lance: I'M NOT MENTALLY HANDICAPPED! (Pushes Kevin)

Kevin: You know what Troy. You're a coward. I'm going to let you off this time, but if I ever see you and your stupid retarded brother again, I'm going to kill the both of you.

(Kevin walks away)

Lance: Don't worry Troy. I'll fight him. (Lance is having a hard time breathing)

Troy: Lance? Don't you ever fight. Okay?

Lance: Awh. Okay. Well I got your back!

Troy: and Lance?

Lance: Yes?

Troy: I had fun today too.

(They arrive home)

Troy: Get some rest Lance you've had a long night.

Lance: Good night Troy! Good night lucky baseball!

(Lance goes to bed)

Troy: (to audience) It was that night when Lance stood up for me against the bully, that I really started to appreciate him. I realized how good of a kid he was and how much fun I actually had hanging out with him. I couldn't understand why he didn't have any friends, he was such a nice person. I promised myself that tomorrow, I would hang out with him, and this time, for the first time ever, I would ask him to hang out instead of him asking me.

(The next day)

Troy: Lance, wake up! It's a beautiful Sunday outside! Let's go have some fun!

Lance: Am I dreaming? Did *you* just ask *me* to hang out?

Troy: No Lance, this isn't a dream! Get up! Let's go!

Lance: I don't feel so good today Troy.

Troy: Lance, how often do I ask to hang out with you? Come on! Look, I made an agenda.

Lance: Okay! Lets go! What're we gonna do first?

Troy: Don't worry, I got a lot of fun things planned.

(At a Boston Red Sox game)

Lance: No way! Fenway Park?!

Troy: Yup, I thought since you liked baseball so much, I would bring you here.

Lance: Are you sure I'm not dreaming?

Troy: Why do you say that?

Lance: Because you are not giving me that sarcasm you always give me

Troy: You aren't dreaming. This is real. Guess what? I thought we could go play laser tag and go play a baseball game of our own after this.

Lance: That would be so great!

(after baseball game)

Troy: Alright Lance, laser tag time. Lets team up and get them all.

Lance: Alright lets do it!

(At Laser Tag)

Troy: Alrighty Lance, suited up? Ready for some laser-tag domination?

Lance: I'm ready, let's do it step-bro!

(Laser tag battle)

Lance: Oh man Troy! That was so much fun! (Lance has a hard time catching his breath) Thanks so much!

Troy: No problem! Now for the best part! Baseball!!

Lance: I thought you hated baseball?

Troy: I'll make an exception.

(at baseball field.)

Troy: Alright Lance, I'll pitch you the ball and you hit it. Do you have your lucky baseball?

Lance: Of course! I keep it with me at all times!

Troy: Here is the pitch!

(Lance misses the ball)

Troy: Lance, try it like this. Pitch me the ball

(Teaches Lance how to swing properly)

Lance: When did you become an expert on something you hated?

Troy: I owe it all to Wikepedia and YouTube.

Lance: Okay let me try!

(Lance hits the ball perfectly)

Troy: See Lance, you did it!! You're one special kid.

Lance: ARE YOU REALLY SURE I'M NOT DREAMING?! (breathing heavily)

Troy: I'm sure. Come on, its getting dark, lets race around the bases!

Lance: You're on!

(They race around the bases. It is clear that Lance is having a difficult time breathing. Lance stops running, holding his chest.)

Troy: Lance? What's wrong?! Are you okay?

Lance: I … can't … breath…

(Lance collapses)

Troy: Lance!!! What's wrong? Oh my God! Stay with me, man. I'm here. I'm taking you to the Emergency Room!

(at the Emergency Room. Troy is nervously pacing around the hospital. The doctor comes out from the room.)

Troy: Doc! What's wrong with him? Is he going to be okay?

Doctor: It seems as though Lance collapsed because he had hypertrophic cardiomyopathy.

Troy: What does that mean?

Doctor: It means Lance has an enlarged heart. His heart is producing too much blood and there is not enough room for all the blood to go.

Troy: Is he okay? Can I talk to him?

Doctor: He is just waking up. He is very weak though. You can go in and speak to your step-brother if you would like

Troy: Brother. That's my brother.

(Troy runs in.)

Troy: Lance? Hey bud. How're you feeling?

Lance: Okay I guess. Just really tired.

Troy: I can imagine. You were kicking my butt in that race!

Lance: Now I know I was dreaming! There is no way I could beat you in that race.

Troy: Okay I was winning, but you did good.

Lance: I did. Didn't I? And in laser tag I was doing good too!

Troy: You're right buddy, you did. Save your breath though, you don't want to overwork yourself.

Lance: Troy, I'm tired, I'm going to sleep. Can you hold my lucky baseball for me?

Troy: Sure bud, get some rest.

Lance: Thanks Troy. Oh and thanks for being a really awesome super cool step-brother

Troy: You mean brother?

Lance: Yeah. Brother.

Troy: No problem. Now get some sleep.

(Lance falls asleep but does not wake up again. Lance dies)

Troy: (to audience while holding Lance's lucky baseball) My *brother* died because his heart was too big. When he stood up for me against that bully, he did it out of the goodness of his heart – the same heart that is too big for his body. I know that his big heart took him to a better place. I always knew there was something different about Lance. He had a big heart. Too big for his own good.

(In Troy's imagination)

Troy: Alright Lance, try one more time. Just like I showed you. Look its your lucky ball.

(Pitches Lance the baseball. Lance hits a homerun.)

Lance: I did it!

Troy: You did! You're one special kid, Lance. You're one special brother.
