I LOVE ALL OF YOUS

ISSN 1544-1423

By David Ralph

Adam: *(Stretching face really wide)* BIG FACE! *(Shrinking face)* little face. *(Expanding face again)* BIG FACE!... *(Face warm-up continues)*

Sara: (rolling eyes) Sorry, that's my husband Adam. He's…an "actor." I'm a little sarcastic about the how actor thing. I can't help it, I mean, we've been married almost a year and I keep hoping that someday soon Adam will wake up and go "I think I'll start acting… my age"

A: (Switching facial warm-ups) BBBBBBBBBBBBBBBBBBBBB…

S: I'm still waiting. I know I promised to love and cherish until death do us part, but this work-by-night, audition-by-day thing is going to drive me insane. I just wish he would mature, you know, grow up a little.

A: (New warm up) BIG BROWN BEAR! baby black bug…

S: He hasn't. Which is why I've been trying to figure out how to tell him…the news…I just don't know if he can handle it.

A: Ladies and Gentleman, boys and girls, Adam Brubaker is ready for his: AUDITION.

S: See what I mean?

S: When we first started dating I loved his enthusiasm…Adam's characters were pretty funny and in a weird way were very effective in seducing me.

(Scene one)
A: Hello Madame, may I ask your name?

S: Umm, I'm Sara and you are?

A: My name is Victor vanFrankco Sweetinsassy and you: are lovely.

S: Why thank you Victor; you're not so bad yourself.

A: I could stare at you for months on end…

S: Victor you're really…interesting, but I'm supposed to be meeting a guy named Adam tonight.

A: Adam eh? He sounds like a real: pansy.

S: I don't know if he's a pansy or not. This is a blind date, but my roommate says he's pretty cute.

A: *(normal voice)* Erica said I was cute huh? That was nice of her. I'm Adam.

S: We started going out on a regular basis after he tricked me with "Victor" and it was always interesting to see what kind of character he would come up with next.

(Scene two)
A: RODNEY IS READY TO GO PLAY PUTT-PUTT.

S: Adam, you really shouldn't be so loud in public

A: WHO'S ADAM…I WANT PUTT-PUTT; I WANT PUTT-PUTT

S: Seriously Adam this is little embarrassing.

A: RODNEY LIKE PUTT-PUTT; RODNEY PRO PUTT-PUTT PLAYER; WATCH ME GOOOOOOOOOO!

S: Enough! Actually I'm a little offended; making fun of mentally handicapped people is not my idea of a good time.

A: *(normal voice)* I'm sorry, it was a new character; I thought you would like it.

S: Well I don't; can we go play now?

S: I was pretty ticked at him for that one: our first fight. See, I was actually studying for a degree in special education, but I know Adam didn't mean any harm, plus how could I stay mad at such a cute face?

(Scene Three)

A: Oh my God! You have got to see this sweater…it is soooo you.

S: It's a nice sweater.

A: You should try it on; sister friend you would look soooo hot in it.

S: Are you sure *you* don't want to try it on?

A: Please girl, you know Shasha only wears designer.

S: Ahh…you little.

A: *(normal voice)* Seriously though, you would look good in this sweater when you meet my parents.

S: Parents huh? What does that mean?

A: I guess the *(Voiceover accent)* viewing audience will have to stay tuned after these commercials from Orange Clean, the fresh cleaner.

S: Getting a serious word out of him was hard and I started to realize this after I met his parents and he met mine. I started to get use to his voices and besides, by this time, it was too late. No matter his flaws, I was head over heels in love. I know it sounds cliché, but I mean it in the literal sense.

(Scene four)
(Actors should lie upside down on chair with faces towards judge)

A: I'm really glad you agreed to take this bungee jumping plunge with me.

S: Me….Me….holy….me too.

A: I didn't want this to be too corny but its kind of me, you know, of course you know. I thought of all the possible ways to do this…your mom and dad seemed happy…I know I act a little silly sometimes with all my characters but…I just thought…

S: Adam what's wrong? You're acting…well…your actually not acting…what's wrong?

A: Since you've taken this plunge with me I was hoping you would take the big plunge with me and be my wife?

S: Wow…of course I will…Yeah…I mean yes. I would give you a kiss but hanging upside down like this is making me pretty sick and I've already thrown up a little in my mouth.

A: I love you.

S: I love you…I love all of yous.

S: That was our engagement and our wedding was almost as zany, what with the camels and musk ox, but I meant what I said that day, he was capable of staying serious...I knew he was even though most of the time he was lost in some character. But from that moment on every time we departed Adam would always say:

A: I love you

S: and I would reply I love you…I love all of you's. It was our little way of connecting; He never did a voice or cracked a joke, it was always Adam that said: I love you. About a month ago was the biggest I love you ever.

(Scene five)
A: Oooooohhhh Lucy! I'm Home!

S: Babe I'm in the bathroom.

A: You've got a lot of 'splaining to do.

S: Actually, not really, this says it all. *(Holds out pregnancy test)*

A: Holy Cow! *(normal voice)* Does this mean?

S: It does

A: I'm going to be a dad? *(actor voice)* I'm going to be: Super Dad! When Raptor's come to steal my baby *(Act out Raptor stealing baby)* I'll be there. When natural disaster comes to harm my family *(Act out tornado coming to hit family)* I'll be there. When…

S: Why don't you be here now mister and come give me a kiss.

(move to embrace)
A: I love you

S: I love you…I love all of yous.

S: I thought he would mature a little after finding out he was going to be a dad. But instead it got worse. Now he started trying out different impersonations whenever he could.

(Scene six)
A: (*Robert De Niro voice*) Listen here you little pipsqueak; you talking to me…you talking to me? *(Clark Gable)* Frankly my dear, I don't care if you want another cookie. *(Ace Ventura)* Somebody stop that kid from touching the stove. *(Dorothy)* There's no place like home, there's no place like home, there's no place like home and don't you ever forget that young man.

S: Are you going to take all your fathering advice from the movies?

A: (John Wayne) Maybe little lady, what's it to ya?

S: Could you stop looking at yourself in the mirror for a minute and help me put this crib together?

S: He'll be home any minute from his commercial audition and I still can't figure out a way to tell him. I know that if I don't get the real him…the real Adam when I tell him…when I tell him we've lost the baby then I…it'll break me. I won't be able to deal with this knowing he can't even handle being himself when I have to…

A: Honey you are looking at the new CHESTER CHICKEN. *(Weird Chicken and song routine in "rough" form)* I TASTE SO GOOD WITH RANCH AND CHEESE; YOU CAN DIP ME IN SAUCE IF YOU PLEASE. I'M ONE OF A…
(Sara's line should break in midway through song and then should be shouted to cut him off)
S: Adam…stop it. Stop it! Shut up, Shut up!

A: Sorry, I know it's a little rough; I just learned the song and dance today but it'll be better soon.

S: It's not the stupid song Adam. I don't know how to say this to you, so I'm just going to say it.

A: *(in accent)* But dear…

S: Adam just let me say it. Promise me when I do that I get the real you and not some…thing else. I…you know how I went in for a check up a couple of days ago…and…the ultrasound was bad….the baby didn't…the doctor said we lost the baby. We lost the baby Adam.

A: *(blank stare as it is Clear emotions cross his face torn between serious and acting)* Sara, I…what do we…should we tell…I'm so sorry. *(Comforts sobbing wife)* I'm here for you. Shhhh…its okay…I here for you. Everything's going to be okay. I love you.

S: I love you…I love all of yous.
