Girl: It’s so nice to finally be able to watch a movie with you.

Boy: Oh yeah!

Girl: We’ve had such a busy week. You with sports, me with debate. It’s gonna feel so nice to sit down with just the two of us.

Boy: Totally.

Girl: Who are you texting?

Boy: No one

Girl: About what?

Boy: Our theory on how the government is run by radioactive lizards.

Girl: Oh ok……well, could you do that some other time? I want to watch this

movie with you.

Boy: Oh sorry, of course of course.

Girl: Great…where is the remote?

Boy: Uhhhhhhhh

Girl: I know I had it a moment ago.

Boy: Check the last place you saw it?

Girl: I was gonna check the first place I saw it.

Boy: Just trying to help

Girl: Get up.

Boy: Oh yeah check the couch cushions

Girl: Oh wow what a great idea

Boy: I know

(Girl starts to pull out many things in the cushions, very random and crazy things. Then pulls out a bag of chips)

Boy: Oooh!

Girl: Don't eat it!

(Finally pulls out the remote) Girl: Ah ha!

Boy: Yah! Great job

Girl: Uh huh. Let's just start the movie Boy: Oh yeah

(Starting to press play)

Boy: Wait! I need to get some water! Girl: Hurry.

Boy: Do you want any? Girl: No.

(goes and comes back with water)

Boy: Alright.

(Girl looks disgusted at boy)

Boy: You want water….

Girl: Yes.

(Boy gets water, Girl looks at boy)

Boy: What? Oh….you want a blanket.

Girl: Please.

Boy: Here!

Girl: Thank you! Alright, let's start now, the movie is 2 and a half hours long-

Boy: What! That movie is way too long…..without popcorn! I'll be right back

Girl: Oh come on.

(Boy happily pops popcorn while girl gets inpatient)

Girl: Come on!

(Boy comes back)

Boy: Okay! I'm done

Girl: Great

(Boy loudly opens the bag of popcorn)

Boy: Alright.

(Girl tries to start the movie)

Boy: No!

Girl: What. Are you ok? What's-

Boy: The popcorn's burnt!

Girl: Really?

Boy: This is a disgrace I must pop some more!

Girl: We don't need-

Boy: Nonsense! It is a sin to watch a movie without the golden crunch of popcorn. It was made for the sole purpose of watching movies!

Girl: I don't think that's true

Boy: Shhh. There was a brave man, who lived in the dark times of the world. The world in which corn had yet to be popped. Many years, terrible things happened during that time. Wars, climate change, more wars. Soon. A brave man, whose name was probably Steve. Came up with the most brilliant idea anyone could ever think of. Adding heat to corn, then pouring gallons of butter

on top. Since then, we must honor Steve, by eating his glorious creation every time a cinematic piece is playing. I mean. It's popcorn! Could you imagine anything better?

Girl: Yes, many things.

Boy: I must go! And make more.

Girl: Uh huh, you do that.

(Boy comes back some time later)

Girl: How long did you microwave it?

Boy: 2 minutes

Girl: Felt like two hours

Boy: Well, time does stop when you are microwaving something

Girl: Can we PLEASE start?
Boy: Yes

(Girl begins to press play) Boy: Ah wait! I've got to pee!

Girl: Really?

Boy: When you gotta go you got to go Girl: Then go

(Boy goes and girl looks at watch)

Boy: Much better

Girl: I am going to start the movie now.

Boy: Can't wait

(Girl tries to start the movie but boys phone rings)

Boy: Oops.. Hold on….oh my really? That's terrible

Girl: What happened?

Boy: My car's warranty has expired…yes…please…we must extend my warranty!

Girl: No…no we don't….goodbye Mr. Spam caller

Boy: Ah…Spam…what a great name.

Girl: Sit down….and lets watch this movie! Boy: Ok. Ok.

Girl: You have everything you need. Popcorn, water, you went to the bathroom

Boy: I promise you. I am ready

Girl: Both of our phone are away

Boy: Yes…you should really stop talking. I want to watch the movie

Girl: Boy. Don't you test me

Boy: Sorry

Girl: Alright.

(The doorbell rings)

Girl: AH!

Boy: I'll get it

(Boy opens the door and the mail person is here)

Mail Person: Package delivery.

Boy: Oooo… BABE did you order a package?

Girl: Well, apparently, because it's here! Just get it and come

Boy: Thank you so much!

Mail person: Swipe and Sign

Boy: Oooh, see I don't really sign anything because the value of my signature

will go down with the more things I sign.

Girl: Let's go

(Back on the couch)

Boy: What did you get?

Girl: Never mind that….let's just…

(Doorbell rings)

Boy: I'll get it!

(Opens the door and there is a two scout)

Scout : Hi! I'm are here today to support the scouts!

Boy: Cookie! I love cookies!! I will take three of the very minty one, 5 of those lemons things, and 6 of the peanut butter one that no one knows the name of

Scout : Uh….sorry, but the girl scouts don't sell cookies anymore. We try to be more environmentally friendly.

Boy: Oh, ok-

Scout : We now have gluten free non gmo vegan zero sugar no calories….ice triangles! All proceeds help-

(Boy angrily shuts the door)

Boy: I wanted cookies.

Girl: You ok?

Boy: They didn't have any cookies!!

Girl: You poor child….let's watch the movie now.

(Doorbell rings)

Girl: Imma kill someone

Boy: I'll get it!

(Opens the door and census bureau enters)

Census Bureau : Hi, I am here with the US census bureau

Boy: I have no Idea what that is but ok!

Census bureau : How many people live in this house?

Boy: (gasp) Babe! Is this your way of asking me to move in with you? Census

Bureau: Who is the owner of this house

Boy: Uh, I have to have a talk with my girlfriend, who is seemingly upset…so if you'd just give me a sec-

(Shuts the door)

Boy: Babe…what's wrong.

Girl: We have spent 2 weeks trying to free up time to just sit and be together, and it's tiring. You're my boyfriend. I just want to watch this movie.

Boy: I'm sorry. I really am. You know, ever since I met you, you've been a go-getter. You've known what you want, and you do it. The world tends to bring you down in ways that aren't right. You deserve a break. As your boyfriend. It is my job to make sure you are happy. And I vow to be the best boyfriend in the world. We will watch this movie together, and we will laugh, cry, and talk about how predictable the ending will be. We will be one again. This world today is trying to separate us. But no more! We shall be one, together, sitting down. On this couch. Watching this movie. I will make you happy, all of our dreams will come true. I promise. But first. I have to go to the bathroom.

Girl: That's it!

(Girl hits boy with a frying pan and ties him up)

Girl: I will watch this movie with you, even if it's over your dead body.
