SpeechGeek is published four times per year: August, October, December, and April by Corey Alderdice, 806 Brownstone Way, Bowling Green, Kentucky 42104. Special issues are published from time to time.

http://www.speechgeek.com

We're back with a second round of interp scripts that are perfect for middle school competitors.

We have been overwhelmed with the response from coaches across the country who appreciate our efforts to collect scripts for this target audience.

SpeechGeek is proud to publish a wide variety of selections geared for multiple ages, styles, and types and competitors. It's hard to find that "right" script for a new competitor. We're just glad to help.

I hope you enjoy these scripts. If you have ideas for future types of scripts for **SpeechGeek Presents**, please send an email to thegeek@speechgeek.com!

Rose and June

by Bonny McDonald

JUNE. Hey? Well, good morning. Isn't it nice for you kids to visit us old people? Yeah, yeah, it's windy. Eh…Ifyou talk about the weather I'm gonna SMACK yeh. SMACK. (*She laughs conspiratorially*.) Yeah, that's funny, yeah. I'm very funny, alright. Aren't you a nice one. That one who visited me yesterday, she was a pretty one. You're…you're a nice one, yes. Funny little nose, but…nice. What's that? What, dear? WHAT? Well, my feet are just killing me, just KILLING me and my sister's gone crazy, so don't ask me again how I'm doing.

JUNE. Now I have some pictures to show yeah. Mmmmhmm. Now this one—I worked 37 years in the theatre—here we are at the theatre—there's Rose my sister—she's uglier than me, eh? Heh. Ugly. Yes, pretty ugly. An here's me, in my boxy dress. But look, look this one—this is the dress I wore to the school dance. What? Oh, no, I went by myself. Nobody asked me and I was perty sad, but my mother was always sayin', "Life is short, life is short" and I said to here, I said, "I'm not going to dance because nobody asked me!" You see, I was very proud, but that's not any fun, is it? No, so she said, "WELL," she said, "life is short so you might as well go dancing anytime, somebody or nobody asked ya." You might as well! Look at that dress. Just look at it. Red, huh? SEXY! Seeexy. That's me. I went by myself. Pertier than Rose, though nobody asked me. Somebody'd asked Rose. Nice boy. She doesn't remember him now. You've met Rose, right? …Next door to me! She lives right there next door. We've lived here for 30 years, can you believe it? Mr. Howell keeps the rent just as it was then, nice man. Not too bright, is he? But nice. Funny voice, though, but nice…Oh, she's inside, don't like to let her out too much, she's so crazy! But well, let's let her out so she can get a look at you.

JUNE. Rose?!?!?!? Rose, come out and meet our new neighbor…Yes, a college girl. Here we go.
ROSE. A new kitty?
JUNE. Listen to her, a new kitty. NO A NEW NEIGHBOR.
ROSE. Well, hello, I can hardly see you I'm so blind. You know, I'm 93 years old. Mmm hmm, mmm hmm. 93.
JUNE. You wondered why I look so funny, I'm 95!
ROSE. Aren't you a darling. Oh, look, it's Jack rubbin' on me. Hello Mr. Jack. That cat is so bad.
JUNE. She thinks it's Jack—we used to have a cat named Mr. Jack when we was little, we did.

Digging Too Deep

by Doug McConnaha

(Frankie lies in a bed, coloring on a piece of paper.)

FRANKIE. (*coloring*) Blue…and….Red….some yeeeellow…. Green... Purppple….

(Aaron enters.)

AARON. Hey, little bro!

FRANKIE. Aaron!! Where have you been? I've been so bored!

AARON. Well you know how mom is. (*imitating mother)* "Is this where this belongs!?" "What kind of *rat-hole* do you think we live in?" So, yeah, I got here as fast as I could. And the whole way over in the car she was on me about my grades. Man, she is really getting on my…

FRANKIE. (*interrupting)* I drew you something.

AARON. What is this?

FRANKIE. It's a map.

AARON. A map? (*turns it)* Oh, yeah. Ok, I see. Cool.

FRANKIE. No, it's the other way.

AARON. (*turns it)* Oh, yeah. I see. Nice.

FRANKIE. It's sideways.

AARON. Oh. (*turns it again. faking seeing it)* Oh yeeeaaah. This is good. So what is this stuff there?

FRANKIE. That's us.

AARON. (*pointing)* And this?

FRANKIE. *pointing on the map)* Well, these are the flowers…and this is the pond …and this is where Dr. R's house is….

AARON. And this?

FRANKIE. (*laughing)* I can't really tell you about that.

AARON . Come on, what is it?

FRANKIE. (*serious)* No. It's a secret.

AARON. Hey, it's fine with me if you want to keep secrets. I guess I just won't be telling you how I managed to sneak into the neighbor's house and stole *all* their socks so we could build that giant rope fortress….I guess I'll just keep that one to myself…

FRANKIE. (*getting emotional)* NO!!! C'MON!! YOU PROMISED YOU'D TELL ME THAT!!! YOU PROMISED!!!!

AARON. Nope. Sorry, little bro. A secret for a secret….

FRANKIE. Ok. Ok…ok…ok…ok…ok…ok. I'll tell. (*pause*) This is the last sign you need in order to wake up.

AARON. To wake up? That's cool. So this map is like a dream world or something?

FRANKIE. Yeah, kinda.

AARON. I still can't see what it's supposed to be…what does this say here…?

FRANKIE. No! You can't start there. You have to start here. At the flowers.
AARON. Right here?
FRANKIE. Yeah.
(The two worlds begin to collide. The map world and reality.)

SPACHIANA. Hey ju! Hey ju! Come over here, I want to ask ju a question!
MAGNOLIQUA. You know what Spachiana. He's gorgeous!
SPACHIANA. *Claro que si, es hermoso*!
AARON. (*To Frankie, playing along)* Ohh. So these are "talking" flowers?
FRANKIE. Yeah. Only *that* one's a flower and *that* one's a cactus.
AARON. (*very slowly*) Hellooooo, Mr. Flower.
SPACHIANA. Who is he calling mister?!!
MAGNOLIQUA. We is the girls! Ain't no *Mr.* Flower, stupid.
SPACHIANA. **(***to Magnoliqua*) Stupid is as stupid *does*…and girl, he *do*.
(*Flowers crack up at this)*
AARON. (*to Frankie*) Do they have names?
FRANKIE. Yeah. This one is…
MAGNOLIQUA. I'm Magnoliqua.
SPACHIANA. And my name is Spachiana! (pause) Gonzales.
MAGNOLIQUA. And we is the girls! Get it girl! Okay, you got it…You got it! Shoot always trying to
out do somebody! (*as she does this one of her petals falls off)*
SPACHIANA. Magno! Your petal! Your petal!!!
MAGNOLIQUA. Girl, what are you talking about (*Sees fallen petal. Screams)* EGHHH!! (*begins crying)*. Oh, no!! Not another petal!
SPACHIANA. (*crying with her, very dramatic) Ayy! Porque? Porque??!*
AARON. What's wrong with them?
FRANKIE. They're sick.
MAGNOLIQUA. My petals is falling off!
SPACHIANA. We are loosing our petals.
AARON. Can't you guys…girls just grow some more?
SPACHIANA. (to Magnoliqua) He obviously knows nothing about flowers.
MAGNOLIQUA. He may be good looking but he dumb as a fillet –o-fish.
FRANKIE. (*picking up petal)* Here's your petal Magnoliqua.
AARON. How long have you been sick?
SPACHIANA. Well, we can't remember exactly. But…
MAGNOLIQUA. Ever since *he* started doing his tests.
SPACHIANA. Yeah, that's when we started losing petals and stuff.
MAGNOLIQUA. Before Dr. R started with his tests we was *fine*. And now look at us!!
SPACHIANA. Mira! We losing our petals!
MAGNLIQUA. You know Spachiana, I ain't a violent flower, but sometimes I think about taking my pistils and shoving them right up his…
SPACHIANA. *Calmate Magno*! They say he's just trying to help.
MAGNOLIQUA. Well, all I know is it's not getting any better.
FRANKIE. Don't worry, Magnoliqua. You're gonna be ok. I promise. We gotta

go now, but it was good to see you girls again. And keep drinking your water!

MAGNOLIQUA. Thanks, Frankie. You know we love you. (*waving with one petal)* Bye.

SPACHIANA. And ju got a cute brother. Oooh! Bye. Bye.

AARON. (*getting into it)* Bye. (*to Frankie)* They're crazy.

FRANKIE. I know.

AARON. So….(*looking at the map)* We must be close to the pond now. Right?

FRANKIE. Yep. It should be right…..(*pond appears and he steps in it)* here.

AARON. (*stepping in it)*. AH!

(The *brothers begin to sink into the pond. As they sink deeper and deeper their swimming motions become slower)*

AARON. (*talking underwater)* F-r-a-a-n-k-i-e-e-e-e-e….

FRANKIE. (*talking underwater)* A-a-r-o-n t-h-i-s –i-s-w-whe—eghghe-er-waghghgalaly l-v-esr-r-r *(he's trying to say "Aaron this is where Wally lives")*

AARON. (*underwater)* W-h-a-a-a-a-a-t?

FRANKIE. (*underwater)* t-h-i-s ighg-isgh –wh-e-erhe-ee-e (*begins to float/ swim away)*

AARON. (*underwater)* I-ca-an't- w-a-i-t-! w-h-e-r-e- a-r-e y-o-u g-o-i-n-g?

(*Wally the fish appears from behind Aaron and startles him. He is enormous. His voice is not affected by water)*

WALLY. Hello.

AARON. (*underwater)* A-AHAHAH-H-H-HG-G-G-GH-H-H!!!!!

(*swims to the surface)*

AARON. (*looking for Frankie)* Frankie? Frankie?!!

WALLY. (*rising to the surface, surprising him)* Hello.

AARON. AH! (*reaching to touch the fish, to see if he's real)*

WALLY. Hello?

AARON. (*scared)* AH! (*searching)* Frankie? Frankie! Need your help here. There's a giant talking fish and he's looking at me. He looks hungry.

WALLY. I actually just ate.

AARON. Excuse me, but have you seen my brother?

WALLY. Yes. He's still down below. He loves the water. He says it makes him feel free.

AARON. Oh. (*thinking)* Yeah, he's always been a good swimmer.

WALLY. He beats me whenever we race, you know. And look at me. I'm the size of a small village. You'd think I'd win off sheer size alone. He's quick, that little Frankie, and determined.

AARON. (*showing him the map)* Have you seen this before?

WALLY. Oh, yes.

AARON. Ok. Good. I'm just trying figure this out. (*pointing to the map)* So if we're here, what's here? What is this? Frankie said this is the last sign.

WALLY. Yes. To wake up. And?

AARON. Well, now I'm actually getting confused because…well…where is he anyway? This is getting a little weird.

WALLY. One second. (*Wally opens his mouth reaches in and pulls out Frankie, drenched and exhausted)*

FRANKIE. Hey there, bro!

AARON. Woah! Frankie! You just came out of the….how did….

FRANKIE. (*to Wally*) Thanks, Mr. Fishy.

WALLY. Ok, Frankie. See you soon.

AARON. This place is too much Frankie. You've got some imagination.

FRANKIE. There's still one more place to go. But I don't want to go there.

AARON. What? Why not? Where is –

FRANKIE. Dr. R's house.

AARON. (*looking at the map)* But on the map here….wait...why is there so much distance between these two places. You know you really need one of those scale things, you know those 1 inch equals 32 billion kilometers things cause I'm having trouble seeing where…

FRANKIE. Where what?

AARON. (*looking at the map)* Well, we're here. So Dr. R's house is....where?

FRANKIE. Here.

AARON. (*at map)* Where?

FRANKIE. We're here.

AARON. Yeah, we're here and he's here…

FRANKIE. He's here.

AARON. What?

FRANKIE. We're here.

AARON. Where?

FRANKIE. There. We're there. We're here.

AARON. We're there? (*looking up from the map)* I mean we're here? Already.

FRANKIE. Yeah. (*pointing)* That's his house.

AARON. Oh. I thought it'd be bigger.

FRANKIE. Well, he's a small man.

AARON. So how do we get in? Should we just knock?

FRANKIE. I don't want to go, Aaron.

AARON. C'mon Frankie, we've gone so far. Your map is great. Plus, how am I going to get to the end, to the last sign, if we don't keep going.

FRANKIE. I know. I know. It's just that. He scares me. I don't like him.

AARON. Well look, I'll do all the talking this time.

(*Aaron knocks on the door. Dr. R. opens it)*

DR. R. Why hello, Frankie! Welcome to my humble abode. This must be your charming older brother. Come in. Come in. Don't touch that! I'm so very happy that you could join me for dinner. How are you feeling? Stick out your tongue. Now cough. Again! Enough. We eat. NURSE!!!! (*a nurse appears and hands him his silverware as if operating in the E.R. Dr. R.'s other two hands appear as he grabs the utensils)* Knife. Fork. Spoon. Napkin. Straw. Chopsticks.

Tablespoon. Teaspoon. Whisk. Cheese cloth. Oven mits. Now, let's cut to the chase. (*starts laughing*) *Cut* to the. (*laughs)* It's come to my attention that you have a very powerful map. Frankie, you know that's not allowed in here. Now I *need* this map. I *want* this map. I will *have* this map. Now, we can make this easy. You can hand it over. Or I can take it! (*Starts dancing, and singing)* The map. The map. I got t—got to—have it. It would please me. It would please me. It tickles my fancy. It's completes me. Come on! Come on! Can't you see, I'm a nice old man… SO GIVE IT TO ME!!!

(*Dr. R approaches the brothers. They freeze for a moment and then take off)*

FRANKIE. RUUUUN!!!!!!

AARON. Ahhhh!!

(T*hey run for a distance to escape Dr. R. They pause for a moment to catch their breaths when there are safe)*

AARON. That guy is a freak!

FRANKIE. Tell me about it.

(*Aaron pauses for a moment and looks around. The room is dark, small, and very dimly lit. A mechanical breathing noise is emanating from all corners)*

AARON. Well, where are we now?

FRANKIE. We're in the last place.

AARON. I can't see anything.

FRANKIE. The lights were always like this.

AARON. What's that noise?

FRANKIE. That's my machine.

AARON. But I recognize that sound.

FRANKIE. You should.

AARON. What is it?

FRANKIE. You know. You know what it is.

AARON. (*pointing at someone lying in a bed)* Wait, who's that?

FRANKIE. That's me.

AARON. Stop it, Frankie. Why are you saying this?

FRANKIE. Aaron, that's me.

AARON. What are you doing now? Is this part of the map? I don't…

FRANKIE. Go and look.

AARON. (*Aaron starts to walk towards the bed, stops short realizing something)* That's the sound of your breathing machine…. (*He sees Frankie lying in the bed. Many tubes are connected to his little body. An tube from an artificial breathing machine is protruding from his mouth)* Frankie…

FRANKIE. I told you, Aaron. This is the sign. I told you. To wake up.

(*Aaron holds his head. He begins remembering certain moments now. A doctor walks in the room.)*

DR. ROSSETT. Hello, Aaron. My name is Dr. Rossett. I'm Frankie's doctor. Your parents asked me to explain this to you so you could hear it from us. Frankie blood disorder is very rare, which makes it hard to treat. He isn't responding well to the medications and the transfusions so

we're giving chemotherapy a try. If this doesn't work then, we're running low on options. But let's try and stay positive. He needs all the help he can get right now. I'm sorry.

FRANKIE. It's time for you to go.

AARON. Go. Go where? I'm not going anywhere Frankie, what are you talking about?

FRANKIE. You're dreaming Aaron and you have to wake up…

AARON. Frankie what are you talking about! I'm not dreaming! This is real, I'm awake, you're here and every thing is fine.

FRANKIE. It's time for you to move on.

AARON . Stop it Frankie! Stop it!

FRANKIE. Wake up, Aaron…

AARON. Frankie I'm not asleep! Would you stop saying that!

FRANKIE. Aaron, you have to wake up! I died two years ago. You have to remember. The hospital…..Dr. Rossett….

AARON . *(Aaron bursts into tears)* Shut up, Frankie! Just…shut…up! Stop!

FRANKIE . In the hospital I had a pet fish. You bought it for me.

AARON. I don't want to hear this. You're *here* now! You're *fine* now!

FRANKIE. Mom and Dad brought me some plants to brighten up the room.

AARON. You're here now. You're here now. You're okay. You're okay.

FRANKIE. If I had one wish in the whole wide world you know what it would be? It would be that you, Mom and Dad could be happy when I'm gone. Can you do that for me?

AARON. No….you're…

FRANKIE. Please, could you try that for me? Please Aaron?

AARON. I'll try.

FRANKIE. No promise.

AARON . I promise. (*wakes up)* I promise.
