CHARACTERS_

Jinx Munroe—member of the "Sugar Snacks" , the world's biggest singing group

Margaret—Jinx's biggest fan, and singer wannabe—

(Scene opens on JINX tied up in a chair and blindfolded, with Margaret panicking)

MARGARET. Oh, God—what have I done?

JINX. Like, why am I tied up? HEY! Is Ryan Seacrest behind this?

MARGARET. Quiet! People will hear you!

JINX. Ryan? You goofy goob! Untie me!

MARGARET. Ryan Seacrest isn't here.

JINX. Snooki? Is this your idea? Gimme a hug!

MARGARET. What? I'm not Snooki!

JINX. Michelle Obama? No? Betty White! You never could hold your liquor! Now untie me before I tell folks about you and Colin Farrell!

MARGARET. None of those people are here—just me. Your biggest fan!

JINX. My biggest fan?

MARGARET. Yes. I've idolized you since your first Disney Channel special, "Sugar my Syrup!" All of my clothes are from your Jinx Munroe Fashion Line at Dollar General. I have an irregular heartbeat from overdosing on Sugar Snacks chewable vitamins. I have kidnapped you, Jinx Munroe, and I am going to BE you.

JINX. Oh—Okay!

MARGARET. Don't you get it? I want to replace you. I want to take over your life and live it as my own!

JINX. Gnarly! Sugar-licious!

MARGARET. I watched your documentary, "Insulin for the Sugar Smacks" on E-TV five times! I know everything about you!

JINX. Oooh-kay! Who was my first boyfriend in grade school!

MARGARET. (*insert any celebrity here*)! You met him at Church camp, and he gave you a hickey on your arm so you could tell people you fell down while genuflecting!

JINX. Really? That's—SO COOL! Okay—what are like, my likes and like dislikes?

MARGARET. You like unicorns (both squeal), candy corn, Will Farrell when he's sincere, boys who are not afraid to commit to a monogamous relationship and unicorns—again! (both squeal again)

JINX. This is so FUN! Now what are my dislikes?

MARGARET. You dislike meat (unless it is rotisserie chicken or fajitas), most of the people at NBC Nightly News, the Philadelphia Phillies and things with gravy on it!

JINX. Yay me!!

MARGARET. Miss Munroe…I've always worshipped you.

JINX. Now—don't say "worship"—that puts me with God and Jesus and Madonna. Say, "Idolize with a frenzy usually applied to rabid skunks"! Or just say "Sugar Smack Love!"

MARGARET. Exactly. Sugar-Smack Love! That is why I must BE you. That is why you're tied up.

JINX. So…you're not Ryan Seacrest?

JINX. Is this a surprise party? (squeals)

MARGARET. No—no—no…I've kidnapped you. I've taken you against your will.

JINX. Against my will? Well, that was not nice.

MARGARET. But that is the ony way that I can become a Sugar Snack—you needed to be ou of the way. So, I kidnapped you.

JINX. But how?

MARGARET. I drugged your choco/marshmallow latte and snuck you out through a laundry chute.

JINX. Really? This is a surprise party isn't it? Did Selena Gomez put you up to this? Selena, get out!

MARGARET. Don't you understand? I have kidnapped you! I have taken you against your will, and you are locked up in a mobile home parked in a undisclosed location!

JINX. Oh—Oh…I get it now…you are Zac Effron.

MARGARET. No! I am not Zac Effron!

JINX. Corbin Bleu? Vanessa Hutchins!

MARGARET. Oh, for crying out loud…(removes blindfold) See? There is no one but me!

JINX. You are not Ashley Tisdale. Or even Madonna.

MARGARET. No! I am not! I am…or was…your biggest fan! I want to BE you! I want to sing and dance on stage and record albums and tour and party with the social elite! So I have kidnapped you to take your place!

JINX. How could you do that?

MARGARET. Once you disappeared, the other Sugar Snacks –Brownie, Twinkie, Maple and Yoko—would be panic stricken! "How can we ever replace Jinx? There's no one here that could do that!" And I would walk in, and the others would be swept away by—moi!

JINX. Why me?

MARGARET. I wrote you letters…"Tell me how I can be you?" I even sent in a dvd of me singing along with your ABC special, "Sugar Snacks Do the Tupac Shakur Songbook"!

JINX. That was a short special.

MARGARET. And you never, never responded. And I was your national fan club president for three years.

JINX. No, you couldn't be her—she was some loser who kept writing loser letters about not going to prom or being homecoming queen…oh. But look at what you've made of yourself?

MARGARET. I'm nothing—you are ev-ree-thin—guh.

JINX. But--

JINX. But, don't you remember the Sacred Sugar Snack Pack Code of Allegiance? C'mon..do the oath…

BOTH: The Sugar Snack Pack Code of Honor Number One—Don't Kidnap Any Member of the Sugar Snacks in some Desperate Act.

MARGARET. I always wondered why that was there.

JINX. (*Voice changes to a sinister timber*) I knew this would happen. I hoped it would happen. And now you have come. To save me from myself.

MARGARET. Save—you?

JINX. You don't know the pain of being a Sugar Snack. George Clooney kisses you, then yells, "Hey—Sugar Snacks give you cavities!" …when Taylor Swift calls you "shallow"…The nasty looks from Barbara Streisand when she serves you at Applebees…

MARGARET. But—you're a star! Isn't that what you wanted?

JINX. What I wanted? All I wanted was to be professor of entomology at Stanford. To be a brain.

MARGARET. A brain…you wanted to study bugs?

JINX. Bugs are incredible creatures. Tireless workers—dedicated to the common cause…and I was to be their queen.

MARGARET. You wanted to be the queen of bugs?

JINX. I am not "Jinx Munroe". I am…or I used to be…Patricia Shamsky. High school valedictorian, with a dream.

MARGARET. To be the idol of millions? To be a pop superstar?

JINX. Superstar? (*evil laugh*) I wanted to teach cockroaches to attack, and I was going to lead my army of insects and destroy Kevin Schilling. He dumped me for some French foreign exchange student at homecoming.

MARGARET. What stopped you?

JINX. Some record company executive was looking for a girl to join his new girl group. He was missing one vital element—and then he saw me feeding boxelder bugs in a park.

MARGARET. And you sang to them, and he fell in love with your voice?

JINX. No. He saw…my cheekbones.

MARGARET. They are magnificent.

JINX. I know. They are real. And they are spectacular. But with great cheekbones comes great responsibility.

BOTH. Just like Spiderman.

JINX. Next thing I know, my hair is bleached and I'm renamed "Jinx Munroe" and I'm dating Hugh Hefner. He's a cheekbone man.

MARGARET. And…Patricia Shamsky?

JINX. Dead—like a Brazilian millipede that was stepped on by some guy harvesting coffee beans.

MARGARET. And Kevin Schilling?

JINX. Him? I set fire to his house and blamed it on Beyonce. (*starts crying)*

MARGARET. Jinx? Jinx—why are you crying?

JINX. I never wanted this—all I had were magnificent cheekbones, and a dream to turn insects into my own personal army of destruction. HOW did I end up here?

MARGARET. But you are so talented.

JINX. I've got nothing! I can't dance! My outfits have special electric prods that shock me. When you think I'm dancing I'm actually getting shocks that would cripple a heifer.

MARGARET. But your voice—you sing so beautifully on "Baby Be My Sponge Mop Sweeze"

JINX. All auto-tuning. I can't carry a tune with a handle.

MARGARET. Oh, c'mon. I've been to your concerts! I've bought your cds!

JINX. You want proof? You've got proof!

Baybee—be my sponge mop squeeze
Squeeze my sponge mop, don't tease
Squeeze me please baby baby please
Be my sponge mop squeeze…

MARGARET. God, that's horrible.

JINX. You wanted proof.

MARGARET. My whole life is a lie.

JINX. It could be worse…you could be a eighteen year old college freshman, majoring in advanced entomology…all you know is insects…larvae…you dream of having your own little pupae…WAIT! You CAN be ME!

MARGARET. Huh?

JINX. Let me see your cheekbones.

MARGARET. But, I could never match with…

JINX. LET ME SEE THEM!

(JINX grabs her face rather roughly—she checks out the cheekbones)

JINX. Yes…this could work. This could work.

MARGARET. What could work?

JINX. Making your dream---and mine—a reality. You said you can sing—do it.

MARGARET. What?

JINX. SING, YOU TROLL!

MARGARET. You're scaring me…

JINX. Who kidnapped who?

MARGARET. Good point.

Squeezy Squeezy Sponge Mop-Mop
Come on baby be the top
Squeezy Squeezy Sponge Mop-Mop
Squeeze my love dry for you

JINX. Uh, yeah.

MARGARET. But maybe if I add some choreography…"Squeezy Squeezy—"

JINX. NO! No—that'll do just fine. (*MARGARET continues to sing while Jinx pulls out a cellphone)*

JINX. (*In her dumb Jinx voice*) Hello…Irving? Jinx here. No—I'm fine—I just was diverticulitis for a few minutes….say--, don't be afraid if I've changed when I get back—oh, hair color, height, clothes—I was decapitated this morning, but I'm all better now! Oh, you silly—you KNOW the cheekbones are perfect as ever! Love you better! MWAH!

(as MARGARET continues singing and "dancing")

JINX. Free…free…FREE! HA HA HA!!!
