SURPRISED WE HAVEN'T MET BEFORE

ISSN 1544-1423

By Brian Weilert and David Ralph

Two patients with multiple personality disorder sit in the waiting room of their psychiatrist.

Male: How's it going?

Female: Huh, are you talking to me?

Male: Yes.

Female: Good.

Male: Ummmm……Name's Randy…..So, you been to Dr. Sybil before?

Female: Yes.

Male: Really? *(As if bragging)* Five times a week, at least, for me.

Female: *(As if embarrassed by this fact)* Me too.

Male: I'm surprised we haven't met before.

Female: Oh, this isn't my usual time. My brother's father is getting married to my mother, so I had to come early.

Male: Uh…*(Confused)* me too...not really *(Laugh)* So…what are you in for?

Female: Well….I…uh….I am…*(Interrupted)*

Male: I killed my mother. *(Laughs histarically)*...not really. Scare ya? Gets 'em every time. I actually have multiple personality disorder. *(Joking very dramatic: Rough voice)* No you don't you liar. *(Soft voice)* Yes he does you big bully. *(As self)* Leave me alone, get out of my head. *(Laughing again)*...Just kidding, about the over-acting thing but the truth is I do indeed house several interesting characters in my head.

Female: Really? *(Soft and shy)* Me too.

Male: No way.

Female: *(Soft and shy)* Way.

Male: So…how many ya got?

Female: Three

Male: No fricking way, me too. Well, not counting me, with me that'd make four.

Female: Well, then I guess I'd have four also.

Male: So, then am I talking to the **real** you?

Female: Yes.

Male: How do I know?

Female: Trust me you'd know.

Male: How so?

Female: *(Whispers)* I don't want them to hear…There's Marge. She's a bit…. rough around the collar.

Male: Sounds just like my mother.

Female: *(Still whispering)* Then there's Kitty. She's…well she's… let's just say she likes to have a good time.

Male: A perfect match for my Francois.

Female: Your what?

Male: My Francois, he's a bit of a romantic.

Female: *(Still whispering)* Oh. My last one is me….twenty years ago.

Male: We really are alike. I've got one of those too. What are your "triggers" as Dr. Sybil likes to call them?

Female: Well, basic stuff like…*(Interrupted)*

Male: Mine, are so simple it's amazing they don't do something crazy like…KILL MY MOTHER *(Laughing again)* Just kidding. Mine are pretty basic too. One is if someone just touches me.

Female: Me too.

Male: Another one is loud noises; yelling especially.

Female: *(Amazed they have so much in common)* Me too.

Male: And lastly, is the smell of an Algonquin woman.

Female: What?

Male: *(Laughing)* Just kidding. Actually, if someone just mentions a color, any color…Boom! Flash! And the real me is out of here.

Female: Colors? What about the neutrals? Like bla….

Male: *(Interrupting)* Yes, all colors…even the boring ones.

Female: Wow, that is amazing. We have the exact same triggers. *(Pause)* How do you get back to the real you?

Male: It's kinda weird. If I am in a situation where I feel very comfortable and safe….I just come back.

Female: You're not going to believe this, but me too. I really feel a connection with you. *(Reaches over and touches his thigh)* Oh no.

Male*: (He transitions to Mother character as he grabs female character's wrist and shoves her hand off thigh)* You will not be touchin' my little Randy's fleshy white virgin thighs with your filthy hussy hands.

Female: *(She transitions to Marge when she is touched by him)* And just who the hell are you?

Male: My name is…. None of your damn business. Who's asking?

Female: Marge. *(Looking down at his hands still grabbing her wrist)* That's quite a grip you got there. You work out?

Male: *(Letting go of her wrist and laughing)* No, just house work and raising my little Randy.

Female: Oh, you have a little boy? *(Sarcastic)* How cute. How old is he?

Male: He's barely 42 *(In defense)* but he acts much older…You have any kid's?

Female: Nope, not enough time for a family, gotta work.

Male: What kind of work do you do?

Female: I run a jackhammer for the city.

Male: Oh, you must think you're tough.

Female: Someone's got to be, otherwise people will walk all over you; tell you what they think you want to hear and then just leave, taking what they want; leaving you totally…

Both: Alone.

Male: I know what you mean, *(Whispering)* that's why I never let little Randy out of my sight.

Female: Don't you think 42 is a touch on the old side to still be mommying the boy?

Male: *(Offended and yelling very loud)* I'll **mommy** my boy as long as I'm still his **mommy!**

Female: *(Transitions to baby as she curls to fetal position and screams)* Why are you yelling at me?!

Male: *(Transitions to baby)* Oh golly, you're such a big cry-baby head

Female: I'm sorry I didn't mean to yell…What's that smell? *(Smiling in pleasure)* Oh, I made a poopy.

Male: *(Sniffing loundly)* Gee willakers, that stinks worse than grandma's mattress. *(Chanting)* She pooped her pants! She pooped her pants!

Female: Shhhh! Don't be so loud or I'll, I'll… *(Trailing off in thought)*

Male: You'll what?

Female: I'll tell your mommy on you.

Male: *(Real fear)* No! Not my mom. Please don't tell my mom; I'll do anything.

Female: Anything?

Male: Yeah, anything.

Female: *(Smile)* Then go poopy in your pants.

Male: Do what in my what? Teach Scoobie how to dance?

Female: You heard me.

Male: No way

Female: *(Yelling)* Randy's Mommy!! Randy's Mommy!...*(Interrupted)*

Male: *(Panicked)* O.k. o.k. *(Makes grunting faces)*

Female: *Sniffing* Oh, good one. *(Pause in wonder)* Why did you do that? I didn't think you would.

Male: Mom's scary. I'd rather do anything in the world than make mom mad.

Female: I know exactly what you mean. My dad's pretty scary.

Male: When I get scared I hide away and color pretty pictures. Do you have any crayons?

Female: Why for?

Male: For coloring dummy head

Female: *(Sarcastic)* Cool you're coloring a dummy head? Exactly what color is a dummy head? Poopy **brown** like your butt.

Male: *(Transitions to Francois the romantic; can be done with an over-the-top French accent)* The way your flaxen hair glistens in the incandescent artificial lights causes a rainbow of colors to dance upon the bland sheetrock wall *(In ecstasy)* Greens, blues, and yellows, yes I believe that is yellow.

Female: *(Transitions to Kitty the floozy)* I find your earlobes are like two dollops of honeyed dew beckoning to be nibbled.

Male: And your eyes cast spells over men making them weep in humiliation at not pleasing the goddess that is you.

Female: Biceps, like sledge hammers pounding to the rhythm of my enamored yearnful heart.

Male: Your nose is like…um…well it has two…mostly round holes…and ahh…it's a perky little nubble…yeah that's it.

Female: Your lips…*(Interrupted)*

Male: Shhh…no, no your lips are burgundy wine.

Female: Would you like a taste?

Male: Ah yes, but first we must swirl the wine to release the intoxicating bouquet *(He grabs her head as if it were a giant wine glass and starts swirling)*

Female: *(Transitions back into Marge)* I don't know who you think you are but I'm going to jackhammer you if you don't let go of my face.

Male: (He releases her head) Your cheeks flush **red** when you play hard to get. *(She transitions back into Kitty) Purrrrrrr* We must now allow the wine to breath (He brings nose to her lips as close as possible without touching) *Sniffing (Pained look on face)* Madame forgive me for asking, but did you crap your pants?

Female: *(Trying to sound sexy)* It depends…did you crap yours?

Male: *Sniffing* Ahhh, but of course. I see we share a many things in common.

Female: *(Seductive)* Like desire…

Male: and need… *(Drawing closer)*

Female: and lust…

Male: and acceptance…

Female: and passion… *(Touches his face)*

Male: *(Transitions to Mother)* Randy is not your boy-toy you slut. (Slaps girl)

Female: *(Transitions to Marge before yelling)* What the ?! YOU ARE GOING TO GET IT*!!!* *(Raises hand as if to hit)*

Male: *(Transitions to baby; crying)* Don't hit me mommy. Please, please don't hit me. I'll….I'll….color you a picture with **blue** skies and a happy-sun.

Female: *(Transitions to Kitty)* Honey, you can color me randy.

Male: That's my name Poo-head.

Female: Your name is Poo-head…that's very sexy. If my girlfriends could see me with you Poo-head, they would be **green** with envy.

Male: *(Transitions to Francois)* As I am burning with desire, I cannot contain myself. *(Yelling)* I'M IN LOVE!! I'M IN LOVE!!

Female: *(Transitions to baby)* Nobody loves me. I'm just, just a mistake.

Male: Your only mistake is that you have not fallen for me as I have for you. *(Approaches her)*

Female: *(She shoves him back very afraid)* Daddy, don't touch me. Don't touch me ever again.

Male: *(Transitions to Mother)* What's a matter honey? Why are you upset?

Female: I'm no good.

Male: Oh honey…yes you are. What makes you think that?

Female: I've never been able to do enough to make people love me.

Male: Honey, you're a big girl now. You are very pretty, and I can tell you really care about people.

Female: You're a really nice lady.

Male: You need to stop worrying about what other people expect of you and start thinking about what you want. *(Aside)* Maybe I should listen to my own advice. *(Transitions to self as he gestures as if called by nurse)* Yes nurse, I'll be right there, just give me a second. I never even got your name.

Female: *(Transitions back to self)* Well, I've known you less than a minute but you seem like a nice enough guy. Beth.

Male: Are you calling me Beth? *(Laughing)* Just kidding

Female: *(Laughing as well)*

Male: Is there any way a bunch of nuts could get your girls' phone number.

Female: Sure. *(Pulls out a paper and pen and writes it down; then hand to him)*

Male: *(Retrieves paper) Sniffing,* You smell something?

Female: What?

Male: *(Notices smell might be from him*) Ahhh, never mind.
