The Grim Reaper is a Hot Chick

ISSN 1544-1423

By the Treefrog Trio

Characters are an attractive woman, Grim Reaper, and a cocky, womanizing middle-aged man. The scene takes place in a crowded bar. The man, a regular, is up to old tricks when the Reaper comes to take him away. On her clipboard is a check sheet which she marks off each time she observes the behavior.

TEASER

GR: *(Stands with clipboard looking across the bar)* Ok, this is the place. *(As if reading)* Looking for a guy who is overtly obnoxious. Great, like that narrows down the male population.

Guy: *(Back to the audience throughout the teaser)* Hey! Dudes, watch this. Have you ever seen crap like that before?! I shot that peanut like eight feet right out of my frickin' nose.

GR: Check. Ok. He's crude.

Guy: *(Fanning hands)* Whoa, who laid down the funk?

GR: Check, a sexist womanizer.

Guy: Hey, you two babes with the nice racks, I'll give you five buck each if you'll kiss each other with your tongues; ten if a can snap a picture.

GR: Definitely, check. Vulgar.

Guy: *(Loud belch followed by laugh)*

GR: Check. Egomaniacal

Guy: I ROCK!!!

GR: Check, chokes on a peanut.

Guy: Did I mention, I RO...*(starts choking)*

GR: Check. That's my guy. Show time. *(She turns with back to the audience and reaches out and touches guy's shoulder. Bow heads)*

END TEASER

GR: *(Deep intimidating voice)* I am death, the ender of breath, the bringer of grief. I am eternal. I am the dark angel. I am.. *(Interrupted by man)*

Guy: A really hot looking chick! So, come here often?

GR: *(Normal voice)* Apparently not often enough.

Guy: You can say that again. I was thinking the same thing. We are on the same page. We have some kind of special connection going on. Feel it? Can you feel the vibe?

GR: Before you work yourself all up, maybe you should let me introduce myself. *(Deep voice)* I am... *(Guy interrupts)*

Guy: No, no let me guess....You're ahhhhh Beth....*(looks her over)* No, no that's not it; not sexy enough *(Gives her a wink)* Lexie *(Looks her up and down one more time)* Wait I got it you're....Mine. Get it? You're mine. Ahhh.. I kill me. *(Looks across the room as if yelling at a waitress)*
Hey! Hey sugar lips, how 'bout getting this beautiful lady a beer! *(Apparently ignored)* Man, what do you have to do to get a drink around here? Kill someone?

GR: Which is a great segue as why I am here because you apparently don't seem to get it.

Guy: *(Elbows her in ribs)* Not often enough. *(Laughs to self)*

GR: You've got it all wrong I... *(interrupted again)*

Guy: All right, all right I get "it". No beer, you're one of those classy chicks. *(Again yelling at a waitress)* Hey! Hey, snuggle butt, cancel one of those beers and bring a couple of tequila shooters instead. *(To Reaper)* Now that's class.

GR: *(In deep voice again)* STOP IT! YOU FOOL! Before I remove that tongue that God regrettably put in that foul hole.

Guy: Whew...Kinky. I get it. You like to be in charge. Do you have a dog collar under that robe? I've been a bad puppy. Ruff...rufff! Grrrrrrr

GR: *(In normal voice)* Dang it, would you cut it out! I mean *(In deep voice again)* Cease your ignorant babbling! I AM... *(Interrupted yet again)*

Guy: *(Singing **Ironman** by Black Sabbath he continues her words. It should be very smooth. He plays air guitar and shakes head as he sings)* Ironman...da da da da da, da da da da. Black Sabbath rules! I knew you were a Goth-chick the moment I saw the black robe.

GR: *(Normal voice)* Ok, let's just cut the crap. I'll quit with the over acted "Minister of Death" if you will just shut up and listen.

Guy: I got it. I can play along. I know when to shut up. I got it , I gotcha.. A little "hush, hush"... a little... *(Interrupted by Reaper)*

GR: *(Normal voice)* Shut up! *(Deep voice)* I mean, Shut up! *(In normal voice)* Please, can you just please shut up?

Guy: I hear ya, I'm not dead ya know.

GR: AGGGG! I want you to just sit down and listen to me for a moment.

Guy: Ruff...ruff *(Sits)*

GR: Look, you're a nice guy...No I take that back, you're an incredibly annoying and obnoxious guy. But, that's irrelevant. What is relevant is that you are... *(Interrupted once again)*

Guy: I am soooo sorry to interrupt again but I have to ask, did it hurt?

GR: *(Annoyed)* Did what hurt?

Guy: When you fell from heaven. *(Pleased with himself)*

GR: *(Fake smile)* Let me try this once more. Sir, you are no longer... *(Interrupted once again)*

Guy: What's your sign?

GR: STOP IT!!!

Guy: Ok, ok, just one more thing. Last one, I promise.

GR: *(Giving up)* What?

Guy: I just wanted you to know, that, if I could rearrange the alphabet, I would put "U" and "I" together. Get it? Get it?

GR: *(Really quick so she can't be interrupted again)* You're dead.

Guy: What? D'you say something?

GR: Oh, you heard me.

Guy: *(Quite honest)* No, I really didn't.

GR: Ignoring the situation isn't going to change things.

Guy: Ok, right, now what was it you said again? I forgot.

GR: *(Very slow and exaggerated pronunciation)* YOU.... ARE.... DEAD

Guy: What?! Come on. Aren't you taking this "Goth-chick" thing a bit too far?

GR: *(Sigh)* Look, a second ago you were standing over there sucking on a peanut...*(Interrupted by guy)*

Guy: Whoa! I've done a lot of things in my past, but I have never sucked on...*(Interrupted by Reaper)*

GR: PEANUT! I said peanut.

Guy: Oh.

GR: Anyway you sucked on a PEANUT, it got stuck in your throat and you choked. Now you are, what we in the profession like to call, dead. D.E.A.D. dead.

Guy: P.R.O.Z.A.C. Prozac *(Stands)* Should have known it was too good to be true. All the really hot ones are either psycho or pros but not usually BOTH. *(Mimicking Reaper)* "We in the profession" Why didn't you come right out and tell me this was going to cost. I wasted some of my best stuff on you. If you don't mind, I'll be getting back to my buds.

(Walks over to where his buds might be and tries to give high five to someone) DUDE! *(His hand goes right through, no contact, and he looks confused. He then tries to grab the butt of a girl walking by and again his hand goes through. Dejected and really confused, he returns to the Reaper)*

GR: *(Sarcastic)* So, come here often.

Guy: *(Sits in silence)*

GR: No clever comeback? No witty retort? Let me guess your sign..hmmm... could it be STUPID?

Guy: You're not a prostitute, are you?
GR: Nope.
Guy: And I suppose it would be asking for too much to guess that you just found me attractive.
GR: Way too much.
Guy: So, I really am... *(Pause)* deceased?
GR: *Ding, ding, ding.* We have a winner folks.
Guy: What happened? Why didn't my buds save me?
GR: Well, there might be two answers to that question. One: They thought you were joking, like you did 100% of the time or, Two: and I should point out that this one gets my vote, because you're a jerk!
Guy: *(Pauses)* That's it? I'm done? Finished? I never accomplished anything. My life has been a total waste. I never even got to experience my childhood dream.
GR: Finally, some honest deep felt reflection. A chance to redeem yourself. What was that dream?
Guy: *(Very serious)* The Bassetty triplets?
GR: OH COME ON! You've got to be kidding me!
Guy: What?
GR: You're dead and that's all you have to reflect upon?
Guy: What'd you expect? Besides, you haven't seen the Bassetty girls. They'd make you look like death warmed over. No offense.
GR: None taken.
Guy: This is really weird. I thought it would hurt or something. I don't feel anything.
GR: *(Reaches out and swats him in the back of the head)*
Guy: Ouch!
GR: Feel that?
Guy: What the heck was that all about? You're lucky I'm such a gentleman or I'd...well you're just lucky that's all.
GR: Gentleman? Perhaps I misheard you. You didn't happen to claim you were a gentleman.
Guy: Sure I did. I am. I hold doors open, pay for meals, drive, do all that stuff on dates. I do it even if the chick is a big ol' fat cow.
GR: You really are clueless, aren't you? I think I have just increased the total sum of intellect on the planet with your removal. Doing a few simple gestures doesn't make you a gentleman. Being a gentleman means being a good MAN.
Guy: I am. I swear. Once this bimbo was... *(Interrupted)*
GR: STOP! Would you just stop with the derogatory language? Bimbos, chicks or whatever else your warped brain spews forth. Why do you think of women like that? Don't you have a mother? Is she a chick?
Guy: Yes, I'm mean yes, I have a mother but no, she's not a chick. That's gross just even saying it.
GR: Why? She's a woman. How would you feel if she was here acting the way you wanted other women to act.
Guy: Right, like that would ever happen.

GR: Remember, you asked for it. *(Reaches out and touches his shoulder, he goes limp. After a beat or two he regains consciousness and he now sees the Reaper as his mother. The Reaper is writhing about very sexily as if dancing)*

Guy: Mom? Ma, what in the hell are you doing here?

GR: I'm dancing, would you like to join, stud?

Guy: What? That's sick. Would you stop moving around like that you're going to throw out that hip again.*(Grabbing her, he gets her to stop dancing).*

GR: OOOh, I like a guy who likes to play rough. *(Like a dog)* Ruff, ruff, ruff. I can sit too.

Guy: Please do. Sit down Mom. *(Reaper sits)*

GR: How 'bout buying a beautiful lady a drink?

Guy: Beautiful? Yeah right. Come on Mom, you're joking right?

GR: Well, I never! *(Slaps him to the ground)*

Guy: *(He comes to and obviously sees the Reaper as herself again)* Hey, what happened?

GR: Whatever are you talking about? You passed out and just now came to.

Guy: Must have been a delayed reaction from when you hit me in the back of the head.

GR: Ok, sure, let's go with that.

Guy: What the heck were we talking about?

GR: I was asking you if you had a daughter?

Guy: Sure, from my first marriage. Why? *(Nervous)* She's ok, isn't she?

GR: As far as I know. The bimbo's not on any list of mine.

Guy: Bimbo?! Tell me you just didn't call my little angel a bimbo!

GR: Why not? She needs to learn her place. She will be a grown woman someday and aren't all "chicks" supposed to know how to please a man?

Guy: Ok, ok, I get it. I get what you are trying to do but let me check my gullible meter. *(Acts like pulling and an instrument from his pocket and starts moving it up and down his body like a metal detector.)* Did you hear that? Me neither. Hmmmm, must be that your little plan isn't going to work as I apparently am NOT GULLIBLE!

GR: Guess not. Hey, you should be more careful not to spill. *(Points to an imaginary spot on his chest. As he looks down, she comes up hard with her hand hitting him in the face. He falls flat on the floor, knocked out again. The Reaper pretends to pry the instrument from his hand and moves it up and down his limp body. As she does this she starts making beeping noises as if the instrument is going off.)* Beep, Beep, Beep, Beep. Riiiiiight, not gullible.

(Guy comes to and sees Reaper as his daughter. She's chugging a beer)

Guy: *(Shocked)* Honey? Angel? What are you doing here? You know Daddy doesn't let you stay up this late.

GR: Oooooh, Daddy is it? I can play that game but it will cost you an extra $50.

Guy: What?! Angel, don't talk that way. Where'd you learn stuff like that?

GR: From men just like you.

Guy: Like me? I never taught you any of this. *(Reapers again starts chugging beer)* Please put down the beer. Beer? My little girl is drinking beer.

GR: I'd rather have a couple of tequila shooters but I'm on a schedule. We're wasting time here Bub. What's it going to be?
Guy: Nothing! For crying out loud, nothing! You're grounded young lady!
GR: Grounded? Bub, you are messed in the head. If you'll excuse me, I need to go find myself a "real" man.
Guy: Angel! *(Grabs her arm)* I can't let you go!
GR: Get your filthy mitts off me! *(Turns and punches him in the face. He is knocked out but when he comes to, he again sees the Reaper)*
Guy: What happened?
GR: You fell and hit your head.
Guy: Don't try and lie to me. I'm not that gullible.....*(Drifting off, remembering that word is what got him into trouble last time.)* Never mind.
GR: Well, it's that time. We need to be heading out.
Guy: *(Very nervous)* Where are we going?
GR: That really depends on you. Have you learned anything?
Guy: *(Realizing, Hell might be where he is heading)* I have! I really have!
GR: What?
Guy: Ok, let's see... I learned that chicks...I mean women need to be respected...that they are all someone's mother or daughter...Right? Is that right?
GR: It's a start. There may be a glimmer of hope for you yet. Let's get going.
Guy: Hope? Yes ma'am, I can change. I have changed. I'm what you would call a changed man! *(Pause)* Hey, MS Reaper ma'am?
GR: What?
Guy: Where I'm going? Are their any...well... hot babe.. *(Catching self)* Women? See, I said women. *(Pleased with himself)* Any hot Women. *(Over exaggerates the word as if as if sounding it out.)*
GR: *(Shaking her head)* Hot? Yes, very hot. Babes? You'll just have to wait and see on that one stud.

(Reaches out and touches him and they both bow heads.)
