CAVEGIRL: Ooooga Booga!

BRITANY: Ahhhh! You talked!

CAVEGIRL: OOOOGA! Erm!

BRITANY: Oh my goodness, please don't kill me, I haven't even found out the true meaning of Christmas yet! Is it presents? Tell me! How am I supposed to know! (Gesturing wildly.)

CAVEGIRL: Erghhhmmm… That's better. Sorry, 5 million years in a block of ice gave cavegirl really bad cough.

BRITANY: You can talk?

CAVEGIRL: Of course cavegirl talk! How you think cavegirl host such fabulous dinner parties.

BRITANY: Hi cavegirl… my name's Britany… Umm… I have questions for you.

CAVEGIRL: Shoot!

BRITANY: Well-

CAVEGIRL: No, I meant shoot I forgot my good hairbrush. Now cavegirl's hair will never look right…

BRITANY: Well, why is your name cavegirl anyway…. I mean what kind of a name is that?

CAVEGIRL: Why your name Britany. What kind of name that?

BRITANY: I… I dunno, I guess I never really thought about it.

CAVEGIRL: What Britany mean huh? At least Cavegirl give people an idea of who they are talking to.

BRITANY: You have a point.

CAVEGIRL: No cavegirl have a stick. (She throws it at Britany.)

BRITANY: Ow! What was that for.

CAVEGIRL: Oh, you know. Stick good for lot of things, start fire, chase animal, hit rude Britany…

BRITANY: You have a point…

CAVEGIRL: And now Britany have stick.

BRITANY: How did you get stuck inside of that ice anyway?

CAVEGIRL: Have Britany ever been swimming and then three weeks later get stuck in snow, then freeze in giant block of ice?

BRITANY: No… I usually go to the pool.

CAVEGIRL: Oh, well have Britany ever had brainfreeze.

BRITANY: (Suddenly excited.) Yes! I have had one of those!

CAVEGIRL: Well is nothing like that… Is million times worse than brainfreeze.

BRITANY: Oh…

CAVEGIRL: What does Britany have in hand?

BRITANY: Oh, you know… It's just the new galactic smart phone.

CAVEGIRL: (Pause. Blank stare.)

BRITANY: It's just the latest in mobile technology… you know?

CAVEGIRL: No… cavegirl not know.

BRITANY: Well, you can use it to update your status or go shopping online or you could even play games on it. I just downloaded an app that can tell you if your boyfriend is cheating on you.

CAVEGIRL: (Pause.) Iphone seems like waste of time.

BRITANY: Yeah… kind of, but all the cool kids have one.

CAVEGIRL: Cavegirl cool, cavegirl frozen in block of ice for 5 million years.

BRITANY: Yeah, you know that is totally cool. Say cavegirl do you have a squeeze?

CAVEGIRL: What Britany mean squeeze.

BRITANY: You know a squeeze. A boytoy. Like the one.

CAVEGIRL: One time boy get too close to Cavegirl and she squeeze him till he bleed!

BRITANY: Wow, I like you. You've got spunk. And I totally know what you mean it is so annoying when guys get too clingy.

CAVEGIRL: Yes… Britany annoying.

BRITANY: You know you're really kind of pretty in a gross way. I mean I could show you a really good conditioner that would help restore your hair that was damaged by the ice. I also know the perfect oatmeal based exploiant that would do wonders for your skin.

CAVEGIRL: (Pause.) Britany talk too much.

BRITANY: (Oblivious.) I know right. I also have this aunt that could tweeze the dickens out of those eyebrows so that they no longer look like a gross fuzzy caterpillar.

CAVEGIRL: Ooooga booga! (She hits Britany.)

BRITANY: Owww!

CAVEGIRL: Sorry, years in ice must have made cavegirl's muscles stiff. (Quietly laughing to self.)

BRITANY: That's why I really like you cavegirl. You're brutally honest. It's like super refreshing. It's like an ice cold bottle of my favorite mineral water.

CAVEGIRL: (Smiles badly.) He!

BRITANY: Oh my goodness! Cavegirl! You're gorgeous! How have you been hiding this from me the whole time?

CAVEGIRL: (Bashful.) Cavegirl just good at keeping secrets I guess.

BRITANY: I love that… a woman with a mystery… I feel like I'm like Nancy Drew and you're like her hideous sidekick or something… It's perfect.

CAVEGIRL: Nancy Drew not have sidekick.

BRITANY: Oh whatever… how would you know anyway… you've been stuck in a block of ice for like a billion years… the only thing you've been able to look at is your ridiculous arm hair… It's like a bunch of little tree trunks… like there is a forest growing out of your arms… a hair forest.. LITERALLY.

CAVEGIRL: Arm hair keeps Cavegirl warm… ice is cold.

BRITANY: You know… I never really thought about that Cavegirl… I can tell already we're going to be biffles because that was like something only a girl scout could think of… I got kicked out of the girl scouts… guess they just couldn't handle me.

CAVEGIRL: Who kick Britany?

BRITANY: Oh, you know some pretentious little goodie-two shoe mother and I say that because she probably only has two pairs of shoes… LITERALLY… The kicked me out because I ate like

fifty boxes of their cookies or whatever… It's totally not my fault though… like one of those crazy pyramid schemes you know…

CAVEGIRL: Uggghh…

BRITANY: Uggghh is right… Corporations.. LITERALLY… You know incidentaly that was the only merit badge I got. I accidentally got a hunting clothes merit badge because a pair of camouflage pants got mixed in with a bunch of real clothes I was getting… who knew… I mean they practically make those things invisible. CLOTHES ARE MEANT TO BE SEEN AND WORSHIPPED!

CAVEGIRL: Yawn… (She slaps herself)

BRITANY: Cavegirl… are you alright.

CAVEGIRL: Cavegirl was just trying to keep herself awake because your story was so boring.

BRITANY: Yeah… I guess I'm getting pretty tired myself… I could really go for a double expresso mocha latte right about- (Cavegirl slaps her.)

CAVEGIRL: Uggg!

BRITANY: Wow! That was powerful… we're like sisters… from different misters and misses…. And eras… but who cares I love you and we are going to spend so much time together!

CAVEGIRL: Great… (Flat)

BRITANY: I'll tell you what… you teach me how to be a stronger woman and I'll teach you how to get the perfect man.

CAVEGIRL: Man not perfect.

BRITANY: You can say that again sister! Where have you been my whole life?

CAVEGIRL: Cavegirl was frozen in ice.

BRITANY: Right… right… that whole thing… So, like say I'm super mad at a guy and I just want to show somebody who's boss… like the lady boss with fabulous lipstick and high heels to the heavens.

CAVEGIRL: Hmmm… you set his cave on fire.

BRITANY: Oooooohhh! Spicy, I like it! It's a little more forceful than I would go for, but that's why you're here isn't it.

CAVEGIRL: Cavegirl here because ice melted.

BRITANY: Right.

CAVEGIRL: Global warming.

BRITANY: Right, well enough about glowing warnings… say there is this guy that you think is cute and is totally single and ready to mingle, but after you tell him five minutes later you see like your best galpal kissing him… on the lips… like what would you do?

CAVEGIRL: Hmmmmm… You find big rock…

BRITANY: Find a big rock.

CAVEGIRL: You pick up.

BRITANY: I bet that's where you got those biceps.

CAVEGIRL: You smash both over head and take their furs.

BRITANY: I like how you think, let them know you mean business and then really drive it home by taking that traitor's mink coat!

CAVEGIRL: Is this going to take long? Cavegirl hungry, could eat whole mammoth.

BRITANY: I know I have that problem, you know what the perfect solution is? I know this sounds weird, but one stick of celery, a cracker and some warm water. It will hold you over all day.

CAVEGIRL: (Pause.) That not good.

BRITANY: Beauty is pain and pain is dieting. Am I right?

CAVEGIRL: No.

BRITANY: But how can you expect to maintain an active lifestyle if you don't eat healthy?!

CAVEGIRL: Cavegirl very active… Cavegirl tracked down family of sabertooth tigers for two weeks one time.

BRITANY: Yeah… Pfttt… who has the energy for that.

CAVEGIRL: Cavegirl got energy back from eating all of the tigers… except the one that bit cavegirl…

BRITANY: What?

CAVEGIRL: Death was too good for that tiger… so instead I spit on him and eat his family tigers in front of him and then throw him in volcano as peace offering.

BRITANY: A peace offering for who?

CAVEGIRL: The tiger…

BRITANY: Okay you're starting to creep me out a little bit… are you sure you're not part of some sort of undead cult.

CAVEGIRL: What is undead…

BRITANY: You know undead… like a zombie… like (She demonstrates, making a fool of herself.) Gaaaahhh! Brains!

CAVEGIRL: What was that?

BRITANY: You know… (She demonstrates again.) Gaaaaahhh! Brains! Brains!!!

CAVEGIRL: Cavegirl understood you the first time… she just thought it was funny you look stupid.

BRITANY: Yeah! Well you look like a giant pile of-

CAVEGIRL: Shhhh…. Quiet. Does Britany want to end up like tiger in volcano.

BRITANY: Yeah… like where are you going to find a volcano around here… we'd have to take a trip to Hawaii and you're crazy if you think I'm spending 5 hours on a plane with someone who doesn't understand the concept of deodorant… or toilet paper by the smell of it.

CAVEGIRL: GAHHHH!

BRITANY: Ahhhh! Please don't hurt me! I take it all back we can go to Hawaii or Branston or some gross cave thingy in the middle of the jungle, just please don't hurt me!

CAVEGIRL: Sorry… Cavegirl not angry… she just had flea bite, very bad this time of season.

BRITANY: Say… how did a bunch of fleas survive being frozen inside of a block of ice this whole time? And come to think of it… how did you survive being frozen inside of a block of ice this whole time?

CAVEGIRL: Does Cavegirl look smart enough to answer that question…

BRITANY: I… uh…. Well, that is to say… see I'm concerned that you're going to hurt me no matter how I answer that question.

CAVEGIRL: Huh? Oh, It's okay… Cavegirl forgot question… I was busy trying to remember how to start a fire… (She renacts, spitting on Britany.) Rock.. Rock… Pffft! (Mimics blowing on tinder.) Rock… rock… Pfttt!

BRITANY: Ahhhh!

CAVEGIRL: Rock… Rock… P-

BRITANY: Hey… uh… Cavegirl… I was just thinking maybe we could get back around to finishing your quiz… you know… it might help complete your… uhhh… transformation or whatever…

CAVEGIRL: Yes… Cavegirl will be like a beautiful butterfly

BRITANY: Sure whatever… well, final question, so you got this fabulous dress for the dance on Tuesday, but you took your parents car when you weren't supposed to and they are totally cheesed off and say that you can't go… what do you do?

CAVEGIRL: Hmmmm… you apologize to parents for being spoiled Cavegirl and bring home extra tiger meat for them to share on night of dance.

BRITANY: I never would have thought of that…. I mean home is where the heart is right? At least it is where my wardrobe is, which is basically the same thing and if my parents are cheesed off at you they are never going to buy you any new clothes, which means that you can never leave the house again anyway because… let's face it who would want to be seen in clothes that they already wore before anyways?

CAVEGIRL: (Pause.) Right.

BRITANY: Wow, I feel like you really changed something in me… you know… I'm totally ready to go out and change the world. Like I'm going to go out and punch some people in the face if they disagree with me! I'm going to wear more make up than I ever have and my best designer shoes! I'm going to drop out of school, move in with some guy that I hardly know and spend all my parent's money! Thanks Cave Girl! Look out world here comes Britany! I am woman hear me roar! (Exits.)

CAVEGIRL: Wow… that girl dumb. Cavegirl want to go find more ice to freeze self in. Cavegirl better off in cave.
