DUCK SURGEON
by Dudley Rental

Scene: A Commercial

VOICE: Surgery can be a real pain in the butt.

PATIENT 1: Ow, my butt!

VOICE: No, we mean, a REAL pain in the butt.

PATIENT 2: What are you doing to my butt? Couldn't you at least numb it first??

VOICE: Love Handles General Hospital is gentle with your butt.

PATIENT 1: Yeah, that actually feels kinda nice!

PATIENT 2: I never knew I could enjoy extensive, elective butt surgery this much.

VOICE: And if we're not gentle enough on your butt, your next margarita is free. Because we have a Chili's inside our hospital.

PATIENT 1: I was eating fajitas *during* my surgery!

PATIENT 2: And I think there's no better place to recover from butt surgery than in the comfy pleather booth of a Chili's, humming along to the latest hit song by Macklemore while I consume enough sodium to kill a rabbit.

VOICE: So come on down to Love Handles General Hospital, where your butt is in good hands.

PATIENT 1: More codine queso, please!

VOICE: Coming right up! (Suddenly, talking very fast.) We are required by law to disclose that some of the doctors at Love Handles General Hospital and Mexican Grill are in fact ducks. Love Handles General Hospital and Mexican Grill cannot guarantee that your surgery will not be performed by ducks.

PATIENT 1: Wait, what? Did you say... ducks?

VOICE: Here's your queso!

(*End of commercial*)

Theme Song

Duck Surgeon! Duck Surgeon!
He's a duck who does surgery!
Paging Dr. Quack, come quick,
It's a ducking emergency!
Somebody didn't duck, on a badminton court,
And now they have a shuttlecock lodged in their head!
Duck Surgeon! Duck Surgeon!
Operate on this person before they are dead!

Scene: Love Handles General Hospital

DR. DUCK (*somehow talking on a phone*): Quack? Quack quack. QUACK. Quack quack. Quaaaaack. Qua-qua-quak. Quack. Quack Quack –

(*The door bursts open and Simon comes flying in. Dr. Duck throws down the phone and holds his wing down, hoping Simon did not see.)*

SIMON: DR. DUCK!

DR. DUCK: Quack!

SIMON: OH! AH! DR. DUCK!

DR. DUCK: Quack! Quack!

SIMON: AHHHHHHHHHH!

DR. DUCK: Quaaaaaaaaaaacck!!!

SIMON: THEY'RE HAVING BUFFALO WRAPS TODAY IN THE CAFETERIA!

DR. DUCK: Quack?

SIMON: Sorry, I'm still having that problem where I get excited about the wrong things. Also, the entire city has been hit with a plague of idiocy that makes everyone act really stupid. None of the other doctors can figure it out, and some of them worry it's because they're already affected. You're our only hope, Dr. Quack - as a duck you're immune to the disease.

DR. DUCK: Quack! Quack.

SIMON: Right. Nothing could make you more stupid.

Dr. DUCK: Quack.

SIMON: By the way, here's your new intern, Gator.

GATOR: Howdy, Lil' Feathered Fella! Sure is a nice house of witchcraft you got here. And a Chili's on the top floor! Mmmmm, that's good medicine!

DR. DUCK: Quaaaack!

SIMON: No, he hasn't caught the stupidity plague. He's always like this.

GATOR: You guys wanna head out on the river in my airboat this weekend? I just installed a flatscreen on it so we can watch fishin' shows while we fish!

DR. DUCK: ...Quack.

SIMON: I'll come to, EVEN THOUGH AIRBOATS TRIGGER MY PHOBIA OF CHANNING TATUM! Sorry, sorry. Dr. Duck, here's your first patient. A 14-year-old named Bushy, whose phone became fused to his hand.

BUSHY: You can take it off, Doc, as soon as I get to the next level of Candy Crush.

DR. DUCK: Quack.

BUSHY: (*looking up for the first time*) Wha... I'm scared of ducks.

SIMON: No need to be afraid of Dr. Duck, he's an internationally known specialist in internal medicine who attended Georgetown Medical School, speaks 5 languages, and can dive up to 20 feet at a time when searching for delicious mollusks. No, my little friend, you have nothing to be afraid of –

DR. DUCK: QUUUAAAAAAACCCKKK!!!! (*attacks Bushy*)

BUSHY: What are you doing! Help! This duck is assaulting me. He's perched on my face. How is this medicine? I want a second opinion! The feathers, the feathers are up my nose. He's biting my hand! He's drooling on me! Son of a - ow! The duck is down my pants! Got him out - now he's on my hand again. Come on! Duck! Hey! Duck! Dr. Quack! Hey! Hey! Hey! This is worse than the time I got in a pillow fight with a homeless guy! Please stop! I can't take any more duck! No more duck in the face, please, please. (*He puts his hands to his face*) Hey... wait a second - the phone fell off my hands!

GATOR: Duck spit dissolves super glue. (*He grabs the phone*) I'll take this - you need a little timeout from Candy Crush.

BUSHY: Aw, rats.

GATOR: Why that's an old bit of swamp magic! I once glued my hand to an airboat throttle because my momma broke my moonshine still.

SIMON: She didn't want you making hooch?

GATOR: Naw, she got drunk on it and fell face first into the tank, cracked it right open! My mom had a forehead hard enough crack anything.

BUSHY: How did he know I glued it to my hand?

DR. DUCK: Quack.

SIMON: Because you were so stupid, you thought it would save you time.

BUSHY: I realize it was a dumb idea now.

SIMON: You're cured. Out you go. And in comes the new patient. Katie Bunches, Age 16. Refuses to eat anything but a nacho cheese taco DIPPED IN A MOUNTAIN DEW CODE RED SLUSHIE! THAT SOUNDS DISGUSTING! WHY AM I SO EXCITED? Anyway the diet is probably going to kill her.

GATOR: Oh yeah. I mean, same thing killed both my uncles. Though of them also snorted a lot of motor oil. No, my mistake, they both did. They both snorted motor oil. Haha, yep. Probably that was what killed them. (*Shaking head, suddenly quiet*.) That was an awful fireworks show...

SIMON: What should we do?

DR. DUCK: Quack quack. (*Pokes at orange on table*.)

SIMON: The orange?

KATIE: The what? What's an orange?

DR. DUCK: Quack.

SIMON: Katie, have you ever eaten an orange?

KATIE: That this is weird. And orange-colored. Ugh.

DR. DUCK: Quack!

GATOR: Think this little fella wants you to eat the orange.

KATIE: But the orange is all the way over there...

DR. DUCK (*biting her on the ankles*) Quack.

KATIE: Ow! Ok, ok, I'll go get it. Mmmmm... mmm this is good! Why does anyone ever go to a Taco Bell when they could literally just take this off of a tree in their yard for free? I'll never eat that stuff again. Mmmm! Oranges!

SIMON: Ok, great. Get out of here. (*To Dr. Duck)* I've never seen someone cured right before my eyes.

DR. DUCK: Quack, quack.

SIMON: Yeah, I love Taco Bell too.

DR. DUCK: (*Burps.*)

GATOR: (*lugging something in*) Here's your next patient. She's in bad shape.

SIMON: Tasha Reynolds. Tasha filled a kiddie pool full of light beer. And then she dove in. At age 23, she was a little big for a pool meant for ages 3 to 4. And now Tasha is stuck in the kiddie pool full of light beer. The foam from the bear will enter her brain, and she will die of lightheadedness.

GATOR: I seen a lot of things in the swamp. Crazy things. Things that'll make a man go mad. But I ain't never seen a thing like this.

DR. DUCK: Quack.

SIMON: That's right. (*Looks at his watch*) She's got only a few minutes to live. HOLY FRIJOLES IT'S 5 O'CLOCK! IT'S HAPPY HOUR AT THE CHILI'S UPSTAIRS! Sorry.

DR. DUCK: Quack. Quack.

SIMON: Wait, you think we should go to Happy Hour at Chili's? And bring the patient too? THAT'S THE BEST IDEA I'VE EVER HEARD! I mean, that's insane, Dr. Duck, you'll surely kill her.

DR. DUCK: Quack!

GATOR: We best do as he says. What if you caught the disease and are already gettin' too stupid to figure it out?

SIMON: That's madness.

GATOR: I lost my grandma to a furious duck. She had just stuffed it in the oven, then tried to open it up again to throw in a few squirrels too. The duck came fast, and the squirrels... those bastards finished the job. Since then I hated squirrels, but I always respected ducks. They're fighters.

SIMON: Let's get this kiddie pool to the freight elevator. It opens straight onto the lobby of Chili's.

(*They struggle, drag the pool to the elevator, then arrive at Chili's*)

GATOR: Table for 4 please.

DR. DUCK: Quack!

GATOR: Booth, please. Oh. They gave us a little buzzer. There's a wait.

DR. DUCK: Quack! Quack! Quack!

SIMON: We have to wait Dr. Duck. Those are the rules. Oh look, here comes someone's fajitas. The fajitas that might save this woman's life... those delicious fajitas... HEY! HEY! WE NEED THOSE FAJITAS! MEDICAL EMERGENCY! DELIVER THOSE FAJITAS TO DR. DUCK, STAT!

GATOR: Ok, we got the Fajitas. Now what do we do?

DR. DUCK: Quack, quack, quack.

SIMON: There's no time! I know how to make a damn fajita. First, the warm, fresh tortilla. Then the spreading of the savory grilled onions, and the zesty green peppers. Layer... layer the mouth-watering flame-kissed chicken bits. And then, last, the cheese, raining down on top of it all, and decadent guacamole, and oh - oh - oh you're so bad, Simon - a big dollop of sour cream. (He pauses. He is clearly about to eat the fajita.)

DR. DUCK: Quack!

SIMON: And then.... you give it to the patient...

GATOR: WOW, she ate it in two bites! Simon! Shove some more into her face!

SIMON: (About to eat another fajita) Oh... yes, this one was for her too.

GATOR: The fajitas have stabilized the light beer by allowing her to absorb more frothy suds. Just give her one more...

SIMON: No. I am eating this one. She can wait for more tortillas.

GATOR: I'm sure she'll be fine. Excuse me, waiter? Make sure to add an order of chicken fajitas to this patient's hospital bill.

DR. DUCK: Quack!

GATOR: That's right, Dr. Duck, this here whole hospital is mine, and the Chili's too. I'm the owner, Dr. Silas Cornbutt, Attorney at Law.

SIMON: Attorney?

GATOR: What? I went to Yale Law after my moonshinin' years, but before I decided to switch to medicine.

SIMON: Why were you pretending to be an intern?

GATOR: I wanted to see if Dr. Duck was ready for the big promotion.

SIMON: Head of Medicine at Love Handles General Hospital?

GATOR: Nope - General Manager of the Chili's!

DR. DUCK: Quack quack quack.

GATOR: That's right, Dr. Duck, from now on all your meals here are 30% off!

SIMON: You only promoted him because he was a duck.

GATOR: Well, as Mama always said to Pop, better to be a duck, than a dick.

DR. DUCK: Quaaaack!
