THE PRINCIPALS OF DRUGS

By Lawson Powers

CAST LIST
Mrs. Chapman is a math teacher
Bill Clinton
Obi Two KeToni
Dr. Scott is an explorer
Mike is a student who is high the entire time
Mr. Sully is the Principal of Mike's school

WE BEGIN IN A
MATH CLASS ROOM.

Mrs. Chapman is at the front of the class, teaching math.

MRS. CHAPMAN
And that's how you find the derivative of the- Mike! Mike! What are you doing??

Mike has been staring at his hand, very intently. As he brings it closer to his face, it scares him, and he whimpers and thrusts his hand away.

MRS. CHAPMAN (CONT'D)
Mike, I asked you what you were doing, are you just going to sit there like an idiot or answer me?

Mike leans over, takes a slice of pizza out of his bookbag and begins eating it, constantly glancing around as if he is scared and paranoid.

MRS. CHAPMAN (CONT'D)
Mike, that is it! I'm not sure why you're eating a slice of pizza right now or why it was in your bookbag, but I have told you time and time again not to eat in this class! Go to Mr. Sully's office! He's going to be very upset when he finds out what you have done.

IN MR. SULLY'S
OFFICE

MR. SULLY

Mike, I don't know what kind of crap you're trying to pull, but I've dealt with punk kids like you more times than I've crapped in Mrs. Chapman's classroom..and that's a lot! Now I'm asking you for the last time. You better tell me what you're up to or so help me I'll crap ON YOUR HEAD!

MIKE (HIGH)
Mr. Sully, man..you gotta like..chill man.

MR. SULLY
Well, it is a little warm in here..let me go into the other room and turn on the air conditioner.

Mr. Sully walks out of the room. Mike takes out a joint he has in his pocket, lights up, then lays belly-first on the floor, acting as if he is trying to swim.

As he is doing this, Mr. Sully walks back into the room, looks startled, and then...

MR. SULLY (CONT'D)
Mike, what are you doing?

MIKE (GETTING UP) (MUMBLING IN A BILL COSBY VOICE)
Jello..puddin pop....jello puddin pop

MR. SULLY
Yes, that does sound tasty, doesn't it, Mike?

Mike takes another hit of the joint, and this time Mr. Sully sees it.

MR. SULLY (CONT'D)
Mike! WHAT ARE YOU DOING??? You have weed..and you didn't offer me any??

MIKE
Oh.. Sorry, Mr. Sully..I just..well, this stuff is much stronger than the stuff you had back in your day, and-

MR. SULLY
What. You think I can't "hang" with the youngsters nowadays? Give me that!

Mr. Sully snatches the joint from Mike's hand and takes a very long drag. Immediately he is high as a kite.

MIKE

Alright Mr. Sully!!

He begins to chuckle

MR. SULLY

Hey, what are you (chuckling) laughing at? (Chuckling)

They keep chuckling to themselves, sometimes with each other, pointing at each other and laughing.

Immediately they stop as if nothing happened.

MIKE

Alright, well what do we do now?

MR. SULLY (TAKING ANOTHER HIT)

I don't know...but suddenly, I'm extremely hungry.

MIKE

Me too! Want to hit up some Taco Barn? That place is the culmination of a day of bad decisions..

MR. SULLY

That does sound tasty..but I have a pantry full of food right there!

MIKE

AW YEEEEEAH! (Running to pantry) Let's see, you got some Little Donnie's, some Geez-its...SWEET! You have Swiss Trolls! (To audience) Yeah, copyrights suck, don't they.

MR. SULLY (GIDDY)

Ooo hehehe the Swiss Trolls are amaze-balls hehehe

They take the swiss trolls, lay down and begin to eat. After a little...

MR. SULLY (CONT'D)

Well, this is fun and all, but I need a little kick. (Walks to desk, pulls out a syringe) I have some Heroin here..want some?

MIKE

Ah, no thanks, I have some meth here, I'll have some of that.

Mr. Sully shoots up with the Heroin, Mike begins smoking meth.

Mike begins taking his shirt off, it gets stuck on his head. Mr. Sully sits down, curls up in a ball (but still upright), and opens his eyes wide while rocking back and forth. Suddenly Mr. Sully says

MR. SULLY

Psh (walkie talkie sound) prepare for take off. 3...2...1...blast off.

He springs up, making sounds like a rocketship. Mike has managed to get his shirt of and stands watching Mr. Sully. Suddenly they both pretend to be seated, strapped into the rocket.

MIKE

Alright, commander. (Flipping switches on an invisible board in front of him) We're making our way out of the unicorn belt as we speak. OH NO! The unicorns are not happy! I repeat, the unicorns are not happy! They're trying to attack us! Evasive maneuvers!

They imitate evasive maneuvers, then

MR. SULLY

It's not working! They're horns are breaking our defenses!

MIKE

Emergency landing! Land on that moon over there!

OBI TWO KETONI

That's no moon...that's a satellite.

MR. SULLY

Oh no! Obi Two is right! It's the...killer star! (To audience) Again. Copyrights are the worst.

MIKE

Turn around!

MR. SULLY

I can't! They're pulling us in with their magnetic field!

They land

MR. SULLY (CONT'D)
We're about to be boarded by the storm troopers! What do we do??

MIKE
It's okay! I just learned the force and I have a lightsaber!

A school janitor is walking by. As he does, Mike shouts,

MIKE (CONT'D)
It's a stormtrooper! Get him!

And jumps on the janitor. The janitor stands no chance against this meth hyped kid, and soon is knocked out.

MIKE (CONT'D)
Alright, now I have his stormtrooper costume. I'll go check things out.

As he steps out of the space craft, Mr. Sully launches again, Mike stops and stare in shock. Mr. Sully is pulled back in by the magnetic field. Mike begins to walk again and Mr. Sully again launches, only to be pulled back in. Mike walks again, and Mr. Sully again launches and the same happens.

MIKE (FORGETTING WHAT JUST HAPPENED OR THAT THEY THINK THEY ARE ON THE DEATH STAR)
Uh...Mr. Sully! My arm just turned into a snake! And he's angry!!

Mike runs around, fighting his arm snake.

MR. SULLY
Ohhh no. (Groaning in pain) It's happening! It can't be happening now! (Starts breathing like a pregnant woman in labor.) The cow is a-comin!

MIKE (STOPPING MID FIGHT)
Wait..what?

MR. SULLY

THE COW! IS COMING! What about that don't you get?? I'm bout to give birth to a cow!!

Mike breaks character and begins talking

MIKE
Uhh, could we not give traumatize the audience by having you give birth to a cow?

MR. SULLY
But this part is my favorite!

MIKE
I know..but it's pretty clear that watching you give birth to a cow would scar the audience. I mean, pieces that show people giving birth are just gross. Ya know?

MR. SULLY
Alright, fine.

MIKE
Okay good. So I'll go back to fighting my snake arm and you go back to doing..something not traumatizing.

Mike goes back to fighting his snake arm, Mr. Sully again curls up in a ball, but upright, and then launches up, making rocket sounds.

Mike stops fighting, turns to him and says,

MIKE (CONT'D)
We already did that bit, remember?

MR. SULLY
Oh. Right, sorry.

Mike goes back to fighting his snake arm, Mr. Sully stands there, confused, then begins to fight *his* snake arm.

MIKE
No! I'm already doing that! Find your own thing!

MR. SULLY
Oh. Yeah, sorry.

Again, Mike goes back to fighting his snake arm.

Mr. Sully stands there for a second, then looks hard into the distance.

MR. SULLY

Mike...Mike, do you see that?

Mike is gone. We hear the sounds of dinosaurs off in the distance. A pterodactyl swoops over Mr. Sully's head and he has to duck down to miss it. All of a sudden, an off-road vehicle roars over the horizon, screeching to a stop in front of Mr. Sully.

DR. SCOTT

G'day mate! What brings you to the prehistoric age of dinosaurs on such a beaut of a day?

MR. SULLY

Just a little heroin.

DR. SCOTT

Ah, I see. What good is exploring without a little heroin, am I right?

MR. SULLY

Uh, sure. Who are you?

DR. SCOTT

Where are my manners? Dr. Scott here, ready to guide you through these parts during the time when they were most dangerous!

MR. SULLY

So we're in prehistoric times, eh?

DR. SCOTT

That's right! Just built a time machine to take me back, but if I had known that shooting up to ride the magical rainbow would've taken me back in time, I would have just done that! Well, what are we waiting for? Hop in and let's explore!

They hop in and start driving.

MR. SULLY

Wow! What's that over there??

DR. SCOTT

Ah, that's the extremely interesting Jockus Highschoolius, or in layman's terms, a High School Jock.

MR. SULLY

Fascinating!

DR. SCOTT

Extremely! Here, take this tranquilizer gun. We need to sedate it so that I can collect a DNA sample! But it's going to take a lot of tranquilizer darts in order to knock out such a large dinosaur.

MR. SULLY

Got it! Looks like my years of poning racist 3rd graders on gaming systems are finally going to pay off!

A jock is at his locker, talking to a girl. In the middle of their conversation...

JOCK

Yeah so I totally have this nerd in a headlock and I'm about to take him into the bathroom to give him a swirlie when-

Mr. Sully creeps up, rolls and comes up on one knee, his fingers making a gun shape which he points at the jock

MR. SULLY

Pew! Pew! Pew!

JOCK

Uhh, Mr. Sully...are you okay?

MR. SULLY

Pew! Pew! Got him!

Mr. Sully runs back to the imaginary vehicle and jumps in. They spin out, leaving the jock extremely confused.

MR. SULLY

Boy! That sure was fun! What's next?

DR. SCOTT

Well, I only came back for that DNA sample, so I'm headed back to the present.

MR. SULLY
Aw, man! Well, this sure was fun, Dr. Scott! I guess I'll head back to my office too!

Mr. Sully spins around a couple of times, making whirring noises.

MR. SULLY
It's good to be back in my office!

Mr. Sully stands there for a second, then gets a phone call.

MR. SULLY (CONT'D)
Hello?

BILL CLINTON
Hello! Is this Mr. Sully?

MR. SULLY
..yes...who is this?

BILL CLINTON
This is the 42nd President of the United States of America!

MR. SULLY
Wait.. Is this Bill Clinton??

Bill walks in

BILL CLINTON
Well, define "is." (Laughs to himself)

MR. SULLY
Cool! I'm hanging out with a former President!

BILL CLINTON
That's Mr. President to you!

MR. SULLY
Oh, right, sorry. So what do you want to do?

BILL CLINTON
You got a secretary around here? I like talkin' to those secretaries.

MR. SULLY

Oh, you don't want to..um.."talk" with my secretary, she's very unattractive.

BILL CLINTON

Oh well that's too bad. Why don't we just smoke some doobies and relax, man?

They light up and begin smoking.

MR. SULLY

So what do you do nowadays Mr. President?

BILL CLINTON

Well, I used to be a spokesperson for President Obama, you know, talkin' him up and stuff. But ever since I made that comment to him, he doesn't seem to like me very much. Even after I apologized! He was all, (Bill Clinton does an Obama impression) "Now, Mr. Clinton, I'm saying this for the last time. Let me be clear. You are not allowed to call us that. Only we are allowed to call ourselves that!" And all because I called him a soup Nazi!

MR. SULLY

Wait, what is the context for this comment?

BILL CLINTON

Well, he was eating a hamburger and I said, "Oh, you soup Nazis love your hamburgers!" And then he said, "Let me be clear. I do love soups, but I'm not sure that applies here."

MR. SULLY

Oh, I see.

BILL CLINTON

Yep. So now that I'm not a spokesperson for him, I just spend my time visiting people who are crazy high.

MR. SULLY

Wait, so you're really Bill Clinton? I'm not hallucinating?

BILL CLINTON

That's right! But you're starting to come down from your high, so I think I better be going soon. (He shudders and then, eyes wide, stares blankly into the distance.)

MR. SULLY

Is something wrong, Mr. President?

BILL CLINTON

My drug-sense is goin' off. Whenever someone's gettin' crazy high, I feel a disturbance in my drug-sense.

MR. SULLY

Oh. Right. Does it tell you who's doing it?

BILL CLINTON

Only if I concentrate real hard. (Closes eyes and thinks hard) Yep, it's the Toronto Mayor doin' some crack again. I think I'll go join him.

MR. SULLY

Alright, bye Mr. President!

Mr. Sully suddenly becomes drowsy and falls down. He wakes up, and we are back where we were before Clinton showed up. Mike is still fighting with his snake arm.

MIKE

Oh, you finally woke up, Mr. Sully!

MR. SULLY

I guess so. Why didn't you pass out?

MIKE

Oh, I did, but I woke up before you.

MR. SULLY

So you aren't high anymore?

MIKE

Nope

MR. SULLY

Then why are you still fighting your arm?

MIKE

It's a freaky looking arm!

MR. SULLY

Right.

Mr. Sully slaps his face a little to wake himself up, then stands up.

MIKE

Mr. Sully, can I ask you something?

MR. SULLY

Sure, Mike!

MIKE

Well, I feel like we're pretty close after we got high together, and I'd even call you my friend. So do you think that tomorrow, when you see me in school, that you'll say, "Hi" to me? Or will you just ignore me and walk by like you always do?

MR. SULLY

Well, Mike, I think we're pretty close too. But to be honest, I'm just cooler than you. I can't have my teacher friends thinking that I actually like you!

MIKE (HURT)

Oh. I see. Well, with no satisfying resolution to this story, I think I'll just leave now. Don't you...forget about me, Mr. Sully

Mike walks away and then fist pumps into the air, freezing when his fist is above his head.
