Away from the Sun

By Brad Arnold

INTRODUCTION

The statistics on teen depression are sobering. Studies indicate that one in five children have some sort of mental, behavioral, or emotional problem, and that one in ten may have a serious emotional problem. Among adolescents, one in eight may suffer from depression. Of all these children and teens struggling with emotional and behavioral problems, a mere 30% receive any sort of intervention or treatment. The other 70% simply struggle through the pain of mental illness or emotional turmoil, doing their best to make it to adulthood far Away from the Sun by Brad Arnold.

It's down to this

I've got to make this life make sense

Can anyone do what I've done

I missed life

I missed the colours of the world

Can anyone go where I am

'Cause now again I've found myself

4NG Fanatics

So far down, away from the sun

That shines into the darkest place

I'm so far down, away from the sun again

Away from the sun again

I'm over this

I'm tired of living in the dark

Can anyone see me down here

The feeling's gone

There's nothing left to lift me up

Back into the world I've known

'Cause now again I've found myself

So far down, away from the sun

That shines into the darkest place

I'm so far down, away from the sun

That shines the life away from me

To find my way back into the arms

That care about the ones like me

I'm so far down, away from the sun again
