Self-Evident

By Ani DiFranco

INTRODUCTION

We hold these truths to be self evident . . . .

- *Some 3000 people died in the attacks on the World Trade Center.*
- *Over 3000 people died in the bombing of Afghanistan.*
- *Unknown hundreds of immigrants have been detained and deported.*
- *Over 1.3 million people have joined the ranks of people in the US who are living under the poverty line, and the nation's poverty rate is increasing for the first time in eight years.*
- *A man who was not popularly elected president has declared war on the world.*

And where did it all begin . . . September 11, 2001. New York City . . . Soon after the terror attacks, Ani DiFranco began a poem that she ended up calling, "Self Evident."

yes,

us people are just poems

we're 90% metaphor

with a leanness of meaning

approaching hyper-distillation

and once upon a time

we were moonshine

rushing down the throat of a giraffe

yes, rushing down the long hallway

despite what the p.a. announcement says>

yes, rushing down the long stairs

with the whiskey of eternity

fermented and distilled

to eighteen minutes

burning down our throats

down the hall

down the stairs

in a building so tall

that it will always be there

yes, it's part of a pair

there on the bow of noah's ark

the most prestigious couple

just kickin back parked

against a perfectly blue sky

on a morning beatific

in its indian summer breeze

on the day that america
fell to its knees
after strutting around for a century
without saying thank you
or please

and the shock was subsonic
and the smoke was deafening
between the setup and the punch line
cuz we were all on time for work that day
we all boarded that plane for to fly
and then while the fires were raging
we all climbed up on the windowsill
and then we all held hands
and jumped into the sky

and every borough looked up when it heard the first blast
and then every dumb action movie was summarily surpassed
and the exodus uptown by foot and motorcar

4NG Fanatics

looked more like war than anything i've seen so far
so far
so far
so fierce and ingenious
a poetic specter so far gone
that every jackass newscaster was struck dumb and stumbling
over 'oh my god' and 'this is unbelievable' and on and on
and i'll tell you what, while we're at it
you can keep the pentagon
keep the propaganda
keep each and every tv
that's been trying to convince me
to participate
in some prep school punk's plan to perpetuate retribution
perpetuate retribution
even as the blue toxic smoke of our lesson in retribution
is still hanging in the air
and there's ash on our shoes
and there's ash in our hair

and there's a fine silt on every mantle
from hell's kitchen to brooklyn
and the streets are full of stories
sudden twists and near misses
and soon every open bar is crammed to the rafters
with tales of narrowly averted disasters
and the whiskey is flowin
like never before
as all over the country
folks just shake their heads
and pour

so here's a toast to all the folks who live in palestine
afghanistan
iraq

el salvador

here's a toast to the folks living on the pine ridge
reservation
under the stone cold gaze of mt. rushmore

4NG Fanatics

here's a toast to all those nurses and doctors
who daily provide women with a choice
who stand down a threat the size of oklahoma city
just to listen to a young woman's voice

here's a toast to all the folks on death row right now
awaiting the executioner's guillotine
who are shackled there with dread and can only escape
into their heads
to find peace in the form of a dream

cuz take away our playstations
and we are a third world nation
under the thumb of some blue blood royal son
who stole the oval office and that phony election
i mean
it don't take a weatherman
to look around and see the weather
jeb said he'd deliver florida, folks
and boy did he ever

and we hold these truths to be self evident:
#1 george w. bush is not president
#2 america is not a true democracy
#3 the media is not fooling me
cuz i am a poem heeding hyper-distillation
i've got no room for a lie so verbose
i'm looking out over my whole human family
and i'm raising my glass in a toast

here's to our last drink of fossil fuels
let us vow to get off of this sauce
shoo away the swarms of commuter planes
and find that train ticket we lost
cuz once upon a time the line followed the river
and peeked into all the backyards
and the laundry was waving
the graffiti was teasing us
from brick walls and bridges
we were rolling over ridges
through valleys

under stars
i dream of touring like duke ellington
in my own railroad car
i dream of waiting on the tall blonde wooden benches
in a grand station aglow with grace
and then standing out on the platform
and feeling the air on my face

give back the night its distant whistle
give the darkness back its soul
give the big oil companies the finger finally
and relearn how to rock-n-roll
yes, the lessons are all around us and a change is waiting there
so it's time to pick through the rubble, clean the streets
and clear the air
get our government to pull its big dick out of the sand
of someone else's desert
put it back in its pants
and quit the hypocritical chants of

freedom forever

cuz when one lone phone rang
in two thousand and one
at ten after nine
on nine one one
which is the number we all called
when that lone phone rang right off the wall
right off our desk and down the long hall
down the long stairs
in a building so tall
that the whole world turned
just to watch it fall

and while we're at it
remember the first time around?
the bomb?
the ryder truck?
the parking garage?
the princess that didn't even feel the pea?
remember joking around in our apartment on avenue D?

4NG Fanatics

can you imagine how many paper coffee cups would have
to change their
design
following a fantastical reversal of the new york skyline?!

it was a joke, of course
it was a joke
at the time
and that was just a few years ago
so let the record show

that the FBI was all over that case
that the plot was obvious and in everybody's face
and scoping that scene
religiously
the CIA
or is it KGB?
committing countless crimes against humanity
with this kind of eventuality
as its excuse

for abuse after expensive abuse

and it didn't have a clue

look, another window to see through

way up here

on the 104th floor

look

another key

another door

10% literal

90% metaphor

3000 some poems disguised as people

on an almost too perfect day

should be more than pawns

in some asshole's passion play

so now it's your job

and it's my job

to make it that way

to make sure they didn't die in vain

sshhhhhh....

baby listen

hear the train?
